GENERAL SHAREHOLDERS' MEETING
18 June 2021

Report of the Board of Directors
Proposed amendments of the Regulations for the General Shareholders’ Meeting

1. Object of the report

This report has been prepared by the Board of Directors of IBERDROLA, S.A. (the "Company") in order to provide a rationale for the proposed amendments of the Regulations for the General Shareholders’ Meeting (the “Regulations”) included in item numbers thirteen, fourteen and fifteen on the agenda.

The Board of Directors has prepared this report setting forth the purpose of and rationale for each of the proposed amendments of the Regulations included in items thirteen, fourteen and fifteen on the agenda, attaching such proposed amendments below.

In addition, to help the shareholders compare the new text of the articles of the Regulations proposed to be amended and the text currently in effect, attached to this report as an annex is a verbatim transcription of both texts organised in a two-column table, for information purposes. The text contained in the right-hand column shows the changes proposed to be made to the text currently in force, which is contained in the left-hand column.

2. Purpose of and rationale for the proposals

The amendments of the Regulations submitted to the shareholders for approval at the General Shareholders’ Meeting mainly derive from the amendments proposed to be made to the By-Laws and are primarily intended to:

a) update the name of the Governance and Sustainability System and make other technical improvements;

b) conform the text of the Regulations to the amendments made to the Companies Act by Law 5/2021, of 12 April amending the restated text of the Companies Act approved by Royal Legislative Decree 1/2010 of 2 July, and other financial regulations, as regards the encouragement of long-term shareholder engagement at listed companies (“Law 5/2021”), particularly in connection with the encouragement of long-term shareholder engagement, consistently with the proposed amendment to the By-Laws for this same purpose; and

c) establish the regulations for remote attendance at the General Shareholders’ Meeting.

A detailed description of the rationale for the amendments affecting each of the articles or groups of articles of the Regulations is set forth in the sections below.
2.1 Updating the name of the Governance and Sustainability System and other technical improvements

As explained in further detail in the report of the Board of Directors in connection with the proposed amendments to the By-Laws included in item numbers five, seven, eight, nine, ten, eleven and twelve on the agenda for the 2021 General Shareholders’ Meeting, to which we refer the reader to avoid unnecessary repetition, the Company has further developed its former Corporate Governance System, reorganising its content in order to give prominence to environmental performance, social commitment and best corporate governance practices, which is reflected, in particular, in the new name of its internal organisation: Governance and Sustainability System.

Based on the foregoing, the amendment of the Regulations (specifically, of Articles 4, 6, 7, 9, 19, 20, 28, 29, 30, 38 (which would become 39), 39 (which would become 40) and 40 (which would become 41)) in order to replace the references to the “Corporate Governance System” with the new name of “Governance and Sustainability System” is proposed to the shareholders at the General Shareholders’ Meeting.

Within this block, and as regards the technical improvements, it is also proposed: first, to amend section 2 of Article 8 (Types) of the Regulations to include the approval of the directors’ report, together with the approval of the annual financial statements, the allocation of profits or losses and the corporate management for the preceding financial year, within the purview of the shareholders acting at the annual General Shareholders’ Meeting.

Second, it is proposed to amend Article 39 (which would become Article 40: Absentee Voting; Powers to Engage in Proxy-Granting and Absentee Voting) of the Regulations in order to make certain technical improvements to the text in connection with remote means of communication for casting a vote prior to the General Shareholders’ Meeting and, in particular, to include a reference to the power of the Board of Directors to establish and regulate the appropriate assurances to cast an absentee vote by telephone communication.

Third, it is proposed that the second part of section 2 of Article 41 (which would become Article 42: Approval of Resolutions and Announcement of Voting Results) of the Regulations now be a new section 3, without changes to the text of the article.

2.2 Conformance to the amendments to the Companies Act by Law 5/2021

The amendments made to the Companies Act by such law became generally effective on 3 May 2021, for which reason it is necessary to propose the conformance of the Regulations to the new legal provisions requiring such conformance, within the framework of the encouragement of long-term shareholder engagement and consistently with the proposed amendment of the By-Laws for this same purpose.

In this regard, based on the foregoing, it is proposed to amend section 1 of Article 9 (Powers) of the Regulations, consistently with the proposed amendment of section 1 of Article 17 of the By-Laws, in order to include among the powers of the shareholders at a General Shareholders’ Meeting (in addition to the merely technical specification that they have the power to approve the directors’ report together with the annual financial
statements) the authorisation of related-party transactions in an amount or with a value equal to or greater than that determined by law, thus reflecting in the Regulations the rules applicable to related-party transactions at listed companies introduced by the new Sections 529 vicies to 529 tervicies of the Companies Act.

It is also proposed to amend section 5 of Article 20 of the Regulations in order to make clear, pursuant to the provisions of the new Section 497 bis of the Companies Act, that the Company is only answerable to the entity or person validated as a shareholder pursuant to the book-entry register.

2.3 Remote attendance at the General Shareholders’ Meeting, including the possibility of holding the meeting exclusively by remote means

Pursuant to the new legal rules established by Law 5/2021, the amendment of the Regulations is also proposed to the shareholders at this General Shareholders’ Meeting in order to expressly provide for remote attendance of the shareholders or their representatives, and even the ability to hold General Shareholders’ Meetings exclusively by remote means, as allowed by the new Section 182 bis of the Companies Act.

Therefore, a General Shareholders’ Meeting of the Company could in the future be held in any of the following ways:

a) in person only;

b) in person, with the ability to attend remotely (which is customarily referred to as a “hybrid meeting”); or

c) if there are reasons that make it advisable, and under the conditions provided by law and the Governance and Sustainability System, exclusively by remote means.

This rule is accompanied by an express provision in the Regulations to the effect that shareholders may grant a proxy and cast an absentee vote in all cases (and not only if a meeting is held exclusively by remote means, as mandated by the new subsection 3 of Section 521 of the Companies Act), pursuant to the provisions of the By-Laws, the Regulations for the General Shareholders’ Meeting and the implementing rules approved by the Board of Directors within the scope of its powers.

As a consequence of the foregoing, and consistently with the nature of the Regulations as a set of implementing provisions, it is proposed to further develop therein the rules for remote attendance of the shareholders and their proxy representatives at the General Shareholders’ Meeting, for which purpose the following specific amendments are proposed:

a) Amendment of Article 11 (the heading for which would now read Methods of Holding the Meeting, Announcement of the Call to Meeting and Agenda), in order to include the methods of holding the General Shareholders’ Meeting (in person only; in person with the ability to attend remotely, and, when there are reasons that make it advisable –which reasons must be ascertained by the Board of Directors in view of the existing circumstances at any given time– and under the conditions established by law and the Governance and Sustainability System, exclusively by remote means) and, in furtherance of the utmost transparency, to establish the
information that the announcement of the call to meeting must include regarding the method of holding the meeting and remote attendance.

In particular, a provision is added to the effect that the announcement of the call to meeting must include information regarding the steps and procedures to be followed in order to remotely attend the General Shareholders’ Meeting (if remote attendance is provided for) and which meet the security conditions required to allow for the identification of the shareholders or their proxy representatives for purposes of registration and for the preparation of the list of attendees, the correct exercise of their rights and the proper conduct of the meeting.

As a supplement to the foregoing, it is proposed to amend section 2 of Article 14 (Corporate Website) of the Regulations in order to include a new section providing that from the date of publication of the announcement of the call to meeting through the date of holding of the General Shareholders’ Meeting, the Company shall continuously publish on its website information regarding the means and procedures for remote attendance, if this ability is provided for.

b) Amendment of Article 18 (Other Attendees) of the Regulations in order to provide that the meeting may be attended in person or remotely by other attendees (directors and, when authorised by the chair of the General Shareholders’ Meeting, members of the management team, professionals and other persons with an interest in the orderly conduct of corporate matters, as well as the media, financial analysts and any other person the chair deems appropriate, in addition to personnel belonging to the Shareholder’s Office and the person performing the duties described in Article 27.3 of the Regulations). This is also the rationale for the proposed amendment of section 1 of Article 26 (Presiding Committee, Chair and Secretary) of the Regulations.

c) Amendment of Article 19 (Right to Proxy Representation) of the Regulations in order to, first, include the corresponding references to remote attendance. Second, it is proposed to expressly establish that it is the Board of Directors that determines by what means, using the lists mentioned in section 2 of this article, a proxy may be granted, and to include certain technical improvements in the text in connection with the remote means of communication to grant a proxy and, specifically, to include a reference to the power of the Board of Directors to establish and regulate the appropriate assurances to grant a proxy by telephone communication, in line with the proposed amendment of Article 39 (which would become Article 40: Absentee Voting; Powers to Engage in Proxy-Granting and Absentee Voting) of the Regulations.

d) Amendment of Article 21 (Place of the Meeting) of the Regulations in order to specify that if the General Shareholders’ Meeting is held exclusively by remote means, the place of the meeting shall be deemed to be the registered office, pursuant to the provisions of the new Section 182 bis.6 of the Companies Act.

e) Amendment of Articles 22 (the heading for which would now be Infrastructure, Equipment and Services), 23 (Computer System for the Recording of Proxies and Voting Instructions, Preparation of the List of Attendees, and Calculation of Voting Results), 24 (Shareholder’s Office) and 25 (Opening of the Premises and Monitoring Access Thereto) of the Regulations in order to specify that the
references to the premises where the General Shareholders’ Meeting is held only apply if attendance in person is possible.

f) Amendment of Article 29 (Establishment of a Quorum), without changing the current text, to include the provisions of section 2 of Article 25 (Opening of the Premises and Monitoring Access Thereto) on the recording in the minutes of the General Shareholders’ Meeting of the holding thereof on second call due to not having the number of shares required for it to be held on first call, as the various proposed forms for holding the Meeting can be applied.

g) Amendment of Articles 31 (the heading for which would now be Requests to Make Presentations by Shareholders or their Proxy Representatives Attending in Person), 33 (Establishment of a Quorum for the General Shareholders’ Meeting), 34 (the heading for which would now be Period for Presentations by Shareholders or their Proxy Representatives Attending in Person), 35 (Right to Receive Information during the General Shareholders’ Meeting) and 36 (the heading for which would now be Order of Presentations, Requests and Proposals by Shareholders or their Proxy Representatives Attending in Person) of the Regulations in order to specify the provisions of these articles that, due to the nature and current regulation thereof, apply to in-person attendance of the shareholders or their representatives.

The addition of a new Article 37 (with the subsequent articles of the Regulations being re-numbered as a result) is proposed in order to establish specific provisions applicable to remote attendance of the shareholders or their representatives.

This new article is based on the provision that the shareholders with the right to attend or their proxy representatives may attend the General Shareholders’ Meeting remotely using such means as may be established by the Board of Directors in view of the state of the art and having verified the appropriate conditions of security and simplicity, and General Shareholders’ Meetings may even be called to be held exclusively by remote means.

If remote attendance is provided for, in furtherance of the utmost transparency, the call to meeting and/or the corporate website, as appropriate, shall provide a description of the deadlines, forms and methods for the remote exercise of shareholder rights established by the Board of Directors, observing the provisions of law and the By-Laws, to allow for the proper conduct of the meeting.

In addition, this new Article 37 of the Regulations implements the rules applicable to connection to the remote attendance software application and to the presentations, requests for information during the General Shareholders’ Meeting and proposed resolutions that, pursuant to law and the By-Laws, the shareholders or their representatives attending remotely wish to submit.

h) Amendment of Article 40 (re-numbered as Article 41: Voting on Proposed Resolutions) of the Regulations in order to expressly provide for the period for remote voting, i.e. the period for voting by shareholders or their representatives attending the meeting remotely shall begin from the time that the chair of the General Shareholders’ Meeting declares the establishment of a valid quorum thereat until the time that the proposed resolutions are formally submitted to a vote,
or such later time as may be indicated by the chair of the General Shareholders’ Meeting.

i) Amendment of Article 43 (re-numbered as Article 44: Minutes) of the Regulations in order to include a new section providing that if the General Shareholders’ Meeting is held exclusively by remote means, the minutes of the meeting must be drawn up by a notary public, as required by the new subsection 3 of Section 521 of the Companies Act.

3. Layout of proposed amendments

To facilitate the proper exercise of voting rights by the shareholders, pursuant to the provisions of Section 197 bis of the Companies Act and Article 40.1 of the Regulations for the General Shareholders’ Meeting, the proposed amendments to the Regulations are submitted for the approval of the shareholders at the General Shareholders’ Meeting grouped into three separate blocks that will be voted on separately:

- **Item thirteen on the agenda:** Amendment of Articles 4, 6, 7, 8, 9, 19, 20, 28, 29, 30, 38, 39, 40 and 41 of the Regulations for the General Shareholders’ Meeting in order to update the name of the Governance and Sustainability System and to make other technical improvements.

- **Item fourteen on the agenda:** Amendment of Articles 9 and 20 of the Regulations for the General Shareholders’ Meeting to conform the text thereof to the new legal provisions as regards the encouragement of long-term shareholder engagement.

“Article 4. Priority and Interpretation

1. These Regulations further develop and supplement legal and by-law provisions applicable to the General Shareholders’ Meeting, which shall prevail in the event of contradiction with the provisions hereof, and shall be interpreted in accordance with the Governance and Sustainability System, of which they form a part.

2. Any questions that may arise in connection with the interpretation or application hereof shall be resolved by the Board of Directors, which shall propose such amendments, if any, as it deems appropriate. Those that might arise during the General Shareholders’ Meeting shall be resolved by the chair thereof.”

1. In order to promote and facilitate the informed participation of the shareholders, upon the call to the General Shareholders’ Meeting, the Board of Directors may make available thereto a guide, in the medium it deems appropriate (including a virtual assistant), in order to clearly explain the most significant aspects regarding the operation of the General Shareholders’ Meeting and the procedures established for the exercise of their rights thereat.

2. The Board of Directors may approve implementing rules that systematise, adapt and specify the provisions of the Governance and Sustainability System regarding the General Shareholders’ Meeting and the rights of the shareholders related thereto, within the framework of the corporate interest.

“Article 7. Function

1. The General Shareholders’ Meeting is the principal channel for participation of the shareholders within the Company and its sovereign decision-making body, wherein all duly convened shareholders meet to debate and decide, by the majorities required in each case, those matters within their purview, or to be informed of those other matters that the Board of Directors or the shareholders deem appropriate upon the terms provided by law and the Governance and Sustainability System.

2. Decisions of the shareholders at a General Shareholders’ Meeting bind all shareholders, including shareholders who are absent, vote against or in blank, abstain from voting or lack the right to vote, without prejudice to the rights they may have to challenge such decisions.”

“Article 8. Types

1. A General Shareholders’ Meeting may be annual or extraordinary.
2. The shareholders acting at an annual General Shareholders’ Meeting, which shall be previously called for such purpose, must meet within the first six months of each financial year in order to approve the annual financial statements, the directors’ report, the allocation of profits or losses and the corporate management for the preceding financial year. Resolutions may also be adopted regarding any other matter within the purview of the shareholders, provided that any such matter appears on the agenda of the call to meeting or is legally appropriate and that the required quorum for the General Shareholders’ Meeting has been formed for such purpose.

3. Any General Shareholders’ Meeting other than as provided for in the preceding section shall be deemed to be an extraordinary General Shareholders’ Meeting.”

“Article 28. Duties of the Secretary for the General Shareholders’ Meeting

   c) By delegation from the chair, to report to the shareholders at the General Shareholders’ Meeting regarding the quorum, stating the number of shareholders present in person and by proxy, with an indication of the percentage of share capital they represent, as well as the number of shares represented in person and by proxy, also with the foregoing specification.

   d) To report on those matters that the Board of Directors must report to the shareholders at the General Shareholders’ Meeting pursuant to law or the Governance and Sustainability System.

   e) To draw up the minutes of the General Shareholders’ Meeting, if applicable.

“Article 30. List of Attendees

1. Prior to beginning with the agenda for the meeting, the secretary shall prepare a list of attendees, which shall specify those attending as shareholders and those attending as proxy representatives, as well as the number of their own or other shares with which each one is attending. At the end of the list, there shall be a determination of the number of shareholders present in person or by proxy, as well as the amount of capital they own, with a specification as to the capital that corresponds to shareholders with the right to vote. The list of attendees shall include as present those shareholders who have cast absentee votes pursuant to the provisions of the Governance and Sustainability System.
2. The list of attendees shall be contained in electronic media, the sealed cover of which shall show the appropriate identification procedure signed by the secretary for the General Shareholders' Meeting with the approval of the chair.

3. If the meeting is held in different places pursuant to the provisions of these Regulations, the list of attendees shall also specify the share capital represented in person or by proxy in each room. In such case, absentee votes shall be included in the room where the Presiding Committee is located.

4. The list of attendees shall be attached to the minutes of the General Shareholders’ Meeting.”

“Article 39. Continuation

1. Upon good reason for doing so, the shareholders acting at the General Shareholders’ Meeting may approve a continuation of the meeting over one or more consecutive days, at the proposal of the chair, of the majority of the directors attending the meeting, or of a number of shareholders representing at least twenty-five per cent of the share capital present. The General Shareholders’ Meeting shall be deemed to be a single meeting, and a single set of minutes shall be prepared for all of the sessions.

2. Once the continuation of the General Shareholders’ Meeting has been approved, there shall be no need to repeat compliance with the provisions of law or the Governance and Sustainability System in subsequent sessions for them to be validly held. The quorum needed to adopt resolutions shall be determined based on the results of the initial list of attendees, even if one or more of the shareholders included therein do not attend subsequent meetings, without prejudice to the provisions of Article 42.3.”

“Article 40. Absentee Voting; Powers to Engage in Proxy-Granting and Absentee Voting

1. Shareholders may cast their absentee vote regarding proposals relating to the items included in the agenda of the call to meeting by the means indicated in section 2 of Article 19 above. In all such cases, they shall be deemed to be present for purposes of the establishment of a quorum at the General Shareholders’ Meeting.

2. In order to vote by postal correspondence, shareholders must send to the Company the duly completed and signed attendance, proxy and absentee voting card issued in their favour by the corresponding institution, setting forth thereon the direction of their vote, their abstention or their blank vote.

3. Votes through the form available on the corporate website shall be cast using the means referred to in letter b) of Article 19.2 above.

4. Votes cast by any of the means set forth in the preceding sections must be received by the Company before 24:00 on the day immediately prior to the day for the holding of the General Shareholders' Meeting on first call or second call, as applicable.

5. The absentee votes referred to in this article shall be rendered void:

   a) By subsequent express revocation made by the same means used to cast the vote and within the period established for such voting.
b) By attendance at the meeting of the shareholder casting the vote.

c) If the shareholder validly grants a proxy within the established period after the date of casting the absentee vote.

6. If no express instructions are included when casting the absentee vote, or instructions are included only with respect to some of the items on the agenda of the call to meeting, and unless expressly indicated otherwise by the shareholder, it shall be deemed that the absentee vote refers to all of the items included in the agenda of the call to the General Shareholders’ Meeting and that the vote is in favour of the proposals made by the Board of Directors regarding the items included in the agenda of the call to meeting with respect to which no express instructions are included.

7. As regards proposed resolutions other than those submitted by the Board of Directors or regarding items not included in the agenda of the call to meeting, the shareholder casting an absentee vote may grant a proxy using any of the means contemplated in these Regulations, in which case the rules established for such purpose shall apply to the proxy, which shall be deemed granted to the chairman of the Board of Directors unless expressly indicated otherwise by the shareholder.

8. The Board of Directors is authorised to further develop the rules, means and procedures adjusted to current techniques in order to organise the casting of votes by other means, in each case in accordance with the rules and regulations issued for such purpose.

Specifically, the Board of Directors may: (i) establish rules for the use of personal passwords and other guarantees other than electronic signatures and the instant authentication system for casting votes by electronic correspondence or by other valid remote means of communication, as well as establish and regulate the appropriate assurances in the case of telephone communication; (ii) reduce the advance period established above for receipt by the Company of absentee votes cast by postal or electronic correspondence or by other means of remote communication; and (iii) accept, and authorise the chair of and the secretary for the General Shareholders’ Meeting and the persons acting by delegation from either of them to accept, absentee votes received after such period, to the extent allowed by the means available.

9. The Board of Directors is also authorised to further develop the procedures for granting proxies and for absentee voting in general, including the rules of priority and conflict applicable thereto. The implementing rules adopted by the Board of Directors under the provisions of this section shall be published on the Company’s corporate website.

10. The chairman and the secretary of the Board of Directors or the chair of and the secretary for the General Shareholders’ Meeting, from the establishment of a valid quorum thereat, and the persons acting by delegation from any of them, shall have the broadest powers to verify the identity of the shareholders and their representatives; check the legitimacy of the exercise of the rights of attendance, proxy-granting, information and voting by the shareholders and their representatives; check and accept the validity and effectiveness of the proxies and absentee votes (particularly the attendance, proxy and absentee voting card or verification document or instrument for attendance or proxy-granting), as well as the validity and effectiveness of the instructions received through intermediary and management institutions or depositaries of shares, all in accordance with the provisions set forth in the Company’s Governance
and Sustainability System and in the rules that the Board of Directors may establish in order to further develop such provisions.”

“Article 42. Approval of Resolutions and Announcement of Voting Results

1. The shareholders acting at a General Shareholders’ Meeting shall adopt resolutions with the majorities required by law or the By-Laws. Each voting share, whether represented in person or by proxy at the General Shareholders’ Meeting, shall grant the holder the right to one vote, without prejudice to the limitations on the maximum number of votes that may be cast by a shareholder, the conflicts of interest provided for in Article 28 of the By-Laws, other instances in which the By-Laws provide for the suspension of voting rights, or the restrictions established by law.

2. Except in cases in which the law or the By-Laws require a greater majority, the shareholders acting at a General Shareholders’ Meeting shall adopt resolutions by simple majority of the shareholders present in person or by proxy, with a resolution being deemed adopted when it receives more votes in favour than against.

3. For purposes of determining the number of shares upon which the majority needed to adopt the various resolutions shall be calculated, all shares appearing on the list of attendees shall be deemed to be in attendance, present or represented at the meeting, less: shares whose owners or representatives have left the meeting prior to the voting on the proposed resolution in question and have recorded their withdrawal with the notary public or assistants thereto (or, in the absence thereof, with the secretary for the General Shareholders’ Meeting); and shares which, by application of the provisions of law or the By-Laws, are totally or partially deprived of the right to vote in general, or on the particular resolution in question, or shares in respect of which the exercise of the right to vote has been suspended for the holders thereof.

4. Once the chair of the General Shareholders’ Meeting, at the time of voting, finds the existence of a sufficient number of votes in favour or against all or some of the proposed resolutions, the chair may declare them to be approved or rejected by the shareholders at the General Shareholders’ Meeting, without prejudice to the statements that the shareholders or their proxy representatives may desire to make to the notary public or to the assistants thereto or, if applicable, to the secretary for the General Shareholders’ Meeting, regarding the direction of their vote for such statements to be recorded in the minutes of the meeting.

5. Without prejudice to the provisions of the preceding section, for each resolution submitted to a vote at the General Shareholders’ Meeting, there must be a determination of at least the number of shares for which valid votes have been cast, the proportion of share capital represented by such votes, the total number of valid votes cast, the number of votes in favour and against each resolution, and the number of abstentions and votes in blank, if any.”

Articles 9 and 20 shall read as proposed under item number fourteen on the agenda and Articles 19, 29 and 40 (which becomes 41) as proposed under item number fifteen on the agenda, which includes in all cases the update of the name of the Governance and Sustainability System.”

2. The proxy may be granted by delivering to the proxy representative the attendance, proxy and absentee voting card or any other means of verifying the grant of a proxy that is accepted by the Company, or by any of the following means, as determined by the Board of Directors:

   a) Through the financial intermediary and management institutions and depositaries in which their shares are deposited, in order for said institutions to in turn cause the instructions received to be delivered to the Company.

   b) Through the proxy form available on the Company’s corporate website, using the instant authentication systems implemented by the Company, recognised electronic signature of the shareholder or other type of guarantee that the Company deems proper to ensure the authenticity and identification of the shareholder granting the proxy.

   For these purposes, the use of the personal passwords that the Company has previously delivered to the shareholder by postal or electronic correspondence to the address that the shareholder has communicated to the Company or through any other form determined by the Board of Directors shall be deemed to be a proper assurance.

   c) Advance delivery of the attendance, proxy and absentee voting card or any other means of verifying the grant of a proxy that is accepted by the Company at the premises provided by the Company on the days announced on the Company’s corporate website.

   d) Sending the attendance, proxy and absentee voting card or any other means of verifying the grant of a proxy that is accepted by the Company by postal correspondence addressed to the Company.

   e) By any other means of remote communication (including communication by telephone) that the Board of Directors determines to favour the participation of the largest possible number of shareholders, provided that notice thereof is given on the corporate website at the time of publishing the announcement of the call to meeting, that it provides sufficient guarantees of the authenticity and identification of the shareholder granting the proxy, and, if appropriate, that it duly ensures the security of the communications.

3. A proxy granted by any of the means indicated in the preceding section must be received by the Company before 24:00 on the day immediately prior to the day on which the General Shareholders’ Meeting is to be held on first call or on second call, as applicable.

6. A proxy is always revocable. Attendance in person, or remotely if permissible, by the shareholder granting the proxy at the General Shareholders’ Meeting, whether in person or due to having cast an absentee vote on a date subsequent to that of the proxy, shall have the effect of revoking the proxy.

7. A public solicitation for proxies by the Board of Directors or any of its members shall be governed by the provisions of law and by the corresponding resolution of the Board of Directors, if any.

8. A proxy may cover those matters that the law allows to be dealt with at the General Shareholders’ Meeting even when not included in the agenda of the call to meeting.

9. If a proxy has been validly granted pursuant to law and these Regulations but does not include voting instructions or questions arise as to the intended proxy representative or the scope of the representation, and unless otherwise expressly indicated by the shareholder, it shall be deemed that the proxy: (i) is granted in favour of the chairman of the Board of Directors; (ii) refers to all of the items included in the agenda of the call to meeting; (iii) contains the instruction to vote favourably on all proposals made by the Board of Directors with respect to the items on the agenda of the call to meeting; and (iv) extends to matters that, although not included in the agenda of the call to meeting, may be dealt with at the General Shareholders’ Meeting in accordance with law, in respect of which the proxy representative deems most favourable to the interests of the shareholder granting the proxy, within the framework of the corporate interest.

This provision may be further developed by any rules approved by the Board of Directors that systematise, further develop, adapt and specify the provisions of the Governance and Sustainability System regarding the management of the General Shareholders’ Meeting.

10. Before being appointed, the proxy representative shall provide detailed information to the shareholder regarding the existence of any conflict of interest. If the conflict is subsequent to the appointment and the shareholder granting the proxy has not been
advised of the possible existence of such conflict, the proxy representative shall immediately inform the shareholder thereof. In both cases, if the proxy representative has not received new specific voting instructions regarding each of the matters on which the proxy representative has to vote on behalf of the shareholder, the proxy representative shall abstain from voting, without prejudice to the provisions of the following section.

11. Unless otherwise expressly indicated by the shareholder, if the proxy representative is affected by a conflict of interest and has no specific voting instructions, or if the proxy representative has them but it is deemed preferable that the proxy representative not exercise the proxy with respect to the items involved in the conflict of interest, the shareholder shall be deemed to have appointed the following persons as proxy representatives for such items, severally and successively, in the event that any of them is in turn affected by a conflict of interest: first, the chair of the General Shareholders’ Meeting, second, the secretary thereof, and finally, the deputy secretary of the Board of Directors, if any. In this latter event, if there are several deputy secretaries, the order to be used shall be the order established at the time of their appointment (first deputy secretary, second deputy secretary, etc.). The proxy representative so designated shall cast the vote in the direction deemed most favourable to the interests of the person represented thereby, within the framework of the corporate interest.

12. A proxy representative may hold the proxy of more than one shareholder without limitation as to the number of shareholders being represented, and exercise the corresponding voting rights pursuant to the provisions of Article 41.5 below.”

2. Shareholders representing at least two-thirds of subscribed share capital with voting rights must be in attendance at the first call to the General Shareholders’ Meeting, and shareholders representing at least sixty per cent of such share capital must be in attendance at the second call, in order to adopt resolutions regarding a change in the object of the Company, transformation, total split-off, dissolution of the Company, and the amendment of Article 21.2 of the By-Laws.

3. The absence of shareholders occurring once a quorum for the General Shareholders’ Meeting has been established shall not affect the validity of the meeting.

The chair, or if applicable, the secretary, may refer to the data resulting from the list of attendees projected onto the screens at the place where the meeting is held and/or through the remote attendance platform, instead of reading the data.

2. The chair of the General Shareholders’ Meeting shall then, if appropriate, declare the existence of a proper and sufficient quorum on first or second call, as the case may be, and shall decide if the shareholders can debate and adopt resolutions regarding all matters contained in the agenda or if, on the contrary, debate must be limited to only some of them.

3. If appropriate, the chair of the General Shareholders’ Meeting shall announce the presence of a notary public at the meeting and shall identify such notary public, reporting on the request that the notary public prepare the minutes of the meeting.

4. If a notary public has been requested to prepare the minutes of the meeting, the notary public shall ask the shareholders at the General Shareholders’ Meeting and record in the minutes whether there are reservations or objections regarding the statements of the chair or of the secretary for the General Shareholders’ Meeting in connection with the number of shareholders in attendance and the share capital represented in person and by proxy.”

b) Shareholders or their proxy representatives must make reasonable use of their right to make a presentation with respect to both the duration thereof, which shall be a
maximum of five minutes, without prejudice to the chair’s powers to limit or extend such time, and the content thereof, which must conform to the provisions of the preceding section and to the respect deserved by the proceedings and the other attendees. If the number of presentations requested or other circumstances so advise, the chair of the General Shareholders’ Meeting may set a maximum period less than that mentioned above, giving due regard in each case to the principles of equal treatment and non-discrimination among the presenting shareholders.

c) At the time of registration, those shareholders or their proxy representatives who so desire may deliver the written text of their presentation to the Shareholder’s Office in order to obtain a photocopy and thus facilitate the proceedings at the meeting and the preparation of the minutes. This shall be required if there is a request for their presentation to be recorded verbatim in the minutes. In this case, the Shareholder’s Office shall deliver the text to the secretary or to the notary public, if any, in order for it to be compared with the shareholder’s presentation at the time it is made.

d) In addition, during the shareholder presentation period, the representative of the Company designated by the chair of the General Shareholders’ Meeting may make an organised presentation on those questions or considerations that the shareholders have submitted to the Company through other channels of participation and such other questions as are raised by attendees at the General Shareholders’ Meeting who prefer to ask their questions of such representative for the latter to transmit them to the chair.”

“Article 35. Right to Receive Information during the General Shareholders’ Meeting

1. During the presentation period, shareholders or their proxy representatives attending in person may verbally request information or clarifications that they deem are necessary regarding the matters contained in the agenda of the call to meeting, information accessible to the public that has been provided by the Company to the National Securities Market Commission since the holding of the last General Shareholders’ Meeting, and regarding the audit report. They must have previously identified themselves for this purpose in accordance with the provisions of Article 31 above.

2. The Company shall provide the information requested pursuant to the preceding section in the form and within the periods provided by law, except as provided by section 4 of Article 15 above and without prejudice to the provisions of section 5 thereof.

3. The information or clarifications requested shall be provided by the chair or by any other person designated thereby.

4. If it is not possible to respond to the request for information, clarification or question during the proceedings, the response shall be sent in writing within the next seven days.

5. A violation of the right to receive information provided for in this article shall only entitle the shareholder to demand compliance with the obligation to provide information and the damages caused thereto, but shall not be grounds for challenging the General Shareholders’ Meeting.”
“Article 36. Order of Presentations, Requests and Proposals by Shareholders or their Proxy Representatives Attending in Person

1. The powers of shareholders or their proxy representatives attending in person to make presentations and requests for information shall only be exercised once. During the presentation period, the presenting party may make proposals regarding any item on the agenda of the call to meeting, except in those cases in which the proposals should have been available to the shareholders at the registered office at the time of publication of the call to meeting or the supplement to the call to meeting, if any, the proposals are excluded by law, or the proposals infringe upon the rights of other shareholders. They may also propose the adoption of resolutions regarding which, pursuant to law, the shareholders at the General Shareholders’ Meeting may deliberate and decide without such resolutions appearing on the agenda of the call to meeting.

2. In the exercise of the chair’s powers to ensure the orderly conduct of the meeting, and without prejudice to other action that may be taken, the chair of the General Shareholders’ Meeting may:

   a) Extend the time initially allocated to each presenting party, when the chair deems it appropriate.

   b) Decide the order in which answers will be provided and whether such answers will be given following each presentation period or collectively and, if appropriate, in summarised form after the last presentation.

   c) End the shareholder presentation period.

   d) Request the presenting parties to clarify issues that have not been understood or that have not been sufficiently explained during the presentation.

   e) Call the presenting parties to order so that they limit their presentation to business properly before the General Shareholders’ Meeting and refrain from making improper statements or exercising their right to make presentations in an abusive or obstructionist manner.

   f) Announce to the presenting parties that the time for their presentations will soon be ending so that they may adjust their use of the floor and, when the time granted for their presentation has ended, or if they persist in the conduct described in the preceding paragraph, withdraw the floor therefrom.

   g) Deny the floor when the chair believes that a particular matter has been sufficiently debated, is not included in the agenda or hinders the progress of the meeting, as well as reject a reply of the presenting shareholder.

3. The chair of the General Shareholders’ Meeting shall endeavour to maintain order in the room in order to allow the presenting parties to make their presentations without undue interruption. If the chair believes that the presentation or the conduct of an attendee might alter the proper order and normal conduct of the meeting, the chair may ask them to leave the premises and adopt any appropriate measures in order for this provision to be complied with.

4. The chair of the General Shareholders’ Meeting shall have the broadest powers to allow, apply the legally appropriate procedures to, or reject the proposals made by the
presenting parties during their presentation on any matter included in the agenda of the call to meeting or on those matters that may be debated and decided at the General Shareholders’ Meeting without such matters appearing on the agenda of the call to meeting, in light of compliance in each case with the requirements of applicable laws and regulations. In voting on the proposals allowed pursuant to this section, the procedure established in letter b) of Article 41.4 of these Regulations shall apply, without prejudice to the chair’s ability to decide on the use of other procedures or alternative voting systems.”

“Article 37. Particular Rules regarding Remote Attendance by Shareholders or their Proxy Representatives

1. Pursuant to the provisions of law and the By-Laws, and independently of the right to cast an absentee vote in the manner set forth in these Regulations, shareholders with the right to attend or their proxy representatives may attend the General Shareholders’ Meeting remotely using such means as may be established by the Board of Directors in view of the state of the art and having verified the appropriate conditions of security and simplicity.

2. If the Board of Directors provides for a General Shareholders’ Meeting to be held in person with the ability to attend remotely or exclusively by remote means, the call to meeting and/or the corporate website, as appropriate, shall provide a description of the deadlines, forms and methods for the remote exercise of shareholder rights established by the Board of Directors, observing the provisions of law and the By-Laws, to allow for the proper conduct of the meeting.

3. The connection to the software application to remotely attend the General Shareholders’ Meeting should be made as much in advance of the time scheduled for the start of the meeting as is stated in the call to meeting. Shareholders or their proxy representatives shall be deemed not present if they initiate the connection after the deadline set for this purpose.

4. The Board of Directors shall determine the period for sending presentations, requests for information during the General Shareholders’ Meeting and proposed resolutions that shareholders or their proxy representatives attending remotely wish to make through the remote attendance software application in accordance with law and the By-Laws, and may also establish reasonable extensions of time. The provisions of Article 36.4 above of these Regulations, insofar as applicable, shall apply to any proposed resolutions validly submitted by remote attendees.

5. The replies to the requests for information referred to in the preceding section, when appropriate, shall be given during the meeting itself or in writing within seven days following the holding of the General Shareholders’ Meeting.”

“Article 41. Voting on Proposed Resolutions

1. Once the shareholder presentations have ended and responses have been given to requests for information pursuant to the provisions of these Regulations, the proposed resolutions regarding matters included in the agenda of the call to meeting and any others that, pursuant to law, may be submitted to a vote even though not appearing thereon, including any proposals made by the shareholders during the meeting that are appropriate under the law and the Governance and Sustainability System, shall be
submitted to a vote. The period for remote voting, if applicable, shall begin from the
time that the chair of the General Shareholders’ Meeting declares the establishment of
a valid quorum thereat until the time that the proposed resolutions are formally
submitted to a vote as provided above, or such later time as may be indicated by the
chair of the General Shareholders’ Meeting.

2. The Board of Directors shall make separate proposals for resolutions in connection with
matters that are substantially independent of one another. In any event, the following
must be voted on separately, even if appearing within the same item on the agenda: (i)
the appointment, ratification, re-election or removal of each director, (ii) in the
amendment of the By-Laws, that of each article or discrete group of articles, and (iii)
those matters for which this is provided in the Governance and Sustainability System.

3. The adoption of resolutions shall proceed following the agenda set forth in the call to
meeting. Resolutions proposed by the Board of Directors shall be first submitted to a
vote and then, if appropriate, resolutions proposed by other proponents and those
relating to matters that the shareholders at the General Shareholders’ Meeting can
decide upon without appearing on the agenda shall be voted, with the chair of the
General Shareholders’ Meeting deciding upon the order in which they shall be
submitted to a vote. Unless the chair of the General Shareholders’ Meeting decides to
proceed otherwise, once a proposed resolution has been adopted, all others relating to
the same matter and that are incompatible therewith shall be deemed automatically
withdrawn and therefore not be voted upon.

4. As a general rule, and without prejudice to the powers of the chair of the General
Shareholders’ Meeting to use other procedures and alternative systems, for purposes
of voting on the proposed resolutions, the direction of the votes of the shareholders
shall be determined as follows:

a) In the case of proposed resolutions relating to matters included in the agenda of
the call to meeting, votes corresponding to all shares present in person and by
proxy, less the votes corresponding to: shares whose holders or representatives
state that they vote against, in blank or abstain, stating so for the record to the
notary public or the assistants thereto (or, in the absence thereof, to the secretary
for the General Shareholders’ Meeting) for note thereof to be taken in the minutes
of the meeting; shares whose holders have voted against, in blank, or have
expressly stated that they abstain through the means of communication referred
in these Regulations; and shares whose holders or representatives have left
the meeting prior to the voting on the proposed resolution in question and have
had the notary public or assistants thereto (or, in the absence thereof, the
secretary for the General Shareholders’ Meeting) record their withdrawal from the
meeting, shall be deemed votes in favour.

b) In the case of proposed resolutions relating to matters not included in the agenda
of the call to meeting, votes corresponding to all shares present in person and by
proxy, less the votes corresponding to: shares whose holders or representatives
state that they vote in favour, in blank or abstain, by communicating or expressing
their vote or abstention to the notary public (or, in the absence thereof, the
secretary for the General Shareholders’ Meeting) or the assistants thereto, for
note thereof to be taken in the minutes; shares whose holders have voted in
favour, in blank, or have expressly stated that they abstain through the means of
communication referred to in these Regulations; and shares whose holders or
representatives have left the meeting prior to the voting on the proposed resolution in question and have had the notary public or assistants thereto (or, in the absence thereof, the secretary for the General Shareholders’ Meeting) record their withdrawal from the meeting, shall be deemed to be votes against.

5. If a proxy-holder represents several shareholders, the proxy-holder may cast votes in different directions based on the instructions given by each shareholder.

6. Furthermore, so long as the required guarantees of transparency and certainty are provided in the opinion of the Board of Directors, a vote may be divided in order for financial intermediaries who are recorded as having shareholder status but act for the account of different clients to be able to divide their votes and cast them in different directions in accordance with the instructions given by such clients.”

“**Article 44. Minutes**

1. The minutes of the meeting may be approved by the shareholders at the end of the General Shareholders’ Meeting, and otherwise within a period of fifteen days by the chair of the General Shareholders’ Meeting and two inspectors, one on behalf of the majority and the other on behalf of the minority.

2. Once the minutes are approved, they shall be signed by the secretary for the General Shareholders’ Meeting, with the approval of the chair. In the event the aforementioned persons are unable to do so for any reason, they shall be replaced by the persons established by law or the By-Laws.

3. In the event that a notary public takes part in the General Shareholders’ Meeting, the notarial minutes shall be deemed the minutes of the General Shareholders’ Meeting and shall not require approval.

4. If the General Shareholders’ Meeting is held exclusively by remote means, the minutes of the meeting must be drawn up by a notary public.”

### Article 19. Right to Proxy Representation

1. Shareholders may exercise the right to attend personally or through proxy representation by another person, whether or not such person is a shareholder, by complying with the requirements of law and the Corporate Governance System.

2. The proxy may be granted by delivering to the proxy representative the attendance, proxy and absentee voting card or any other means of verifying the grant of a proxy that is accepted by the Company, or by any of the following means:

   a) Through the financial intermediary and management institutions and depositaries in which their shares are deposited, in order for said institutions to in turn cause the instructions received to be delivered to the Company.

   b) Through the proxy form available on the Company’s corporate website, using the instant authentication systems implemented by the Company, recognised electronic signature of the shareholder or other type of guarantee that the Company deems proper to ensure the authenticity and identification of the shareholder granting the proxy.

   For these purposes, the use of the personal passwords that the Company has previously delivered to the shareholder by postal or electronic correspondence to the address that the shareholder has communicated to the Company or through any other
c) Advance delivery of the attendance, proxy and absentee voting card or any other means of verifying the grant of a proxy that is accepted by the Company at the premises provided by the Company on the days announced on the Company’s corporate website.

d) Sending the attendance, proxy and absentee voting card or any other means of verifying the grant of a proxy that is accepted by the Company by postal correspondence addressed to the Company.

e) By any other means of remote communication that the Board of Directors determines to favour the participation of the largest possible number of shareholders, provided that notice thereof is given on the corporate website at the time of publishing the announcement of the call to meeting, that it provides sufficient guarantees of the authenticity and identification of the shareholder granting the proxy, and, if appropriate, that it duly ensures the security of the electronic communications.

3. A proxy granted by any of the means indicated in the preceding section must be received by the Company before 24:00 on the day immediately prior to the day on which the General Shareholders’ Meeting is held upon first call or upon second call, as applicable.

4. The Board of Directors is authorised to further develop the foregoing provisions by establishing rules, means and procedures adjusted to current techniques in order to organise the grant of proxies by electronic means, in each case in accordance with the rules and regulations issued for such purpose.
Specifically, the Board of Directors may establish rules for the use of personal passwords and other safeguards other than electronic signatures for the grant of proxies by electronic correspondence, reduce the advance period established above for receipt by the Company of proxies granted by postal or electronic correspondence, and accept, and authorise the chair of and the secretary for the General Shareholders’ Meeting or the persons acting by delegation therefrom to accept, proxies received after such period, to the extent allowed by the means available.

| 5. | The chairman and the secretary of the Board of Directors or the chair of and the secretary for the General Shareholders’ Meeting, from the establishment of a valid quorum thereat, and the persons acting by delegation from any of them, shall have the broadest powers for verifying the identity of the shareholders and their representatives, verifying the ownership and legitimacy of their rights, and recognising the validity of the attendance, proxy and absentee voting card or the instrument evidencing attendance or representation by proxy. |
| 6. | A proxy is always revocable. Attendance by the shareholder granting the proxy at the General Shareholders’ Meeting, whether in person or due to having cast an absentee vote on a date subsequent to that of the proxy, shall have the effect of revoking the proxy. |
| 7. | A public solicitation for proxies by the Board of Directors or any of its members shall be governed by the provisions of law and by the corresponding resolution of the Board of Directors, if any. |
8. A proxy may cover those matters that the law allows to be dealt with at the General Shareholders’ Meeting even when not included in the agenda of the call to meeting.

9. If a proxy has been validly granted pursuant to law and these Regulations but does not include voting instructions or questions arise as to the intended proxy representative or the scope of the representation, and unless otherwise expressly indicated by the shareholder, it shall be deemed that the proxy: (i) is granted in favour of the chairman of the Board of Directors; (ii) refers to all of the items included in the agenda of the call to meeting; (iii) contains the instruction to vote favourably on all proposals made by the Board of Directors with respect to the items on the agenda of the call to meeting; and (iv) extends to matters that, although not included in the agenda of the call to meeting, may be dealt with at the General Shareholders’ Meeting in accordance with law, in respect of which the proxy representative shall vote in the direction the proxy representative deems most favourable to the interests of the shareholder granting the proxy, within the framework of the corporate interest.

This provision may be further developed by any rules approved by the Board of Directors that systematise, further develop, adapt and specify the provisions of the Corporate Governance System regarding the management of the General Shareholders’ Meeting.

10. Before being appointed, the proxy representative shall provide detailed information to the shareholder regarding the existence of any conflict of interest. If the conflict is subsequent to the appointment and the shareholder granting the proxy has not been advised of the possible existence of such conflict, the proxy representative shall immediately inform the shareholder thereof. In both cases, if the proxy representative has not
received new specific voting instructions regarding each of the matters on which the proxy representative has to vote on behalf of the shareholder, the proxy representative shall abstain from voting, without prejudice to the provisions of the following section.

11. Unless otherwise expressly indicated by the shareholder, if the proxy representative is affected by a conflict of interest and has no specific voting instructions, or if the proxy representative has them but it is deemed preferable that the proxy representative not exercise the proxy with respect to the items involved in the conflict of interest, the shareholder shall be deemed to have appointed the following persons as proxy representatives for such items, severally and successively, in the event that any of them is in turn affected by a conflict of interest: first, the chair of the General Shareholders’ Meeting, second, the secretary therefor, and finally, the deputy secretary of the Board of Directors, if any. In this latter event, if there are several deputy secretaries, the order to be used shall be the order established at the time of their appointment (first deputy secretary, second deputy secretary, etc.). The proxy representative so designated shall cast the vote in the direction deemed most favourable to the interests of the person represented thereby, within the framework of the corporate interest.

12. A proxy representative may hold the proxy of more than one shareholder without limitation as to the number of shareholders being represented, and exercise the corresponding voting rights pursuant to the provisions of Article 40.3 below.

2. Shareholders representing at least two-thirds of subscribed share capital with voting rights must be in attendance at the first call to the General Shareholders’
Meeting, and shareholders representing at least sixty per cent of such share capital must be in attendance at the second call, in order to adopt resolutions regarding a change in the object of the Company, transformation, total split-off, dissolution of the Company, and the amendment of Article 21.2 of the By-Laws.

3. The absence of shareholders occurring once a quorum for the General Shareholders’ Meeting has been established shall not affect the validity of the meeting.

4. If the attendance of shareholders representing a particular minimum percentage of share capital or the consent of specific interested shareholders is required pursuant to law or the Corporate Governance System in order to validly adopt a resolution regarding one or more items on the agenda of the call to meeting, and such percentage is not reached or such shareholders are not present in person or by proxy at the time of formation of the quorum for the General Shareholders’ Meeting, the shareholders thereat shall limit themselves to deliberating on those items on the agenda that do not require such percentage of share capital or the consent of such shareholders.

5. In the event that the General Shareholders’ Meeting must be held on second call because the number of shares legally required to hold it on first call is not present, such circumstances shall be properly recorded in the minutes of the General Shareholders’ Meeting.

**Article 30. List of Attendees**

1. Prior to beginning with the agenda for the meeting, the secretary shall prepare a list of attendees, which shall specify those attending as shareholders and those attending as proxy representatives, as well as the number of their own or other shares with which each one is attending. At the end of the list, there shall be a determination of the number of shareholders present in
shareholders present in person or by proxy, as well as the amount of capital they own, with a specification as to the capital that corresponds to shareholders with the right to vote. The list of attendees shall include as present those shareholders who have cast absentee votes pursuant to the provisions of the Corporate Governance System.

2. The list of attendees shall be contained in electronic media, the sealed cover of which shall show the appropriate identification procedure signed by the secretary for the General Shareholders' Meeting with the approval of the chair.

3. In such case, absentee votes shall be included in the room where the Presiding Committee is located.

4. The list of attendees shall be attached to the minutes of the General Shareholders' Meeting.

Article 31. Requests to Make Presentations by Shareholders. Identification

Shareholders desiring to make a presentation at the General Shareholders' Meeting must so request at the Shareholder's Office or of such person as is indicated for these purposes before the meeting is called to order and state for the record their first and last names and, if applicable, the name of the corporate shareholder they represent, as well as the number of shares they own and/or represent.

Article 33. Establishment of a Quorum for the General Shareholders' Meeting

1. Prior to the commencement of the presentation period, the chair of the General Shareholders' Meeting or the secretary by delegation therefrom shall read the information contained in the list of shareholders present in person or by proxy, as well as the amount of capital they own, with a specification as to the capital that corresponds to shareholders with the right to vote. The list of attendees shall include as present those shareholders who have cast absentee votes pursuant to the provisions of the Corporate Governance System.

Article 33. Establishment of a Quorum for the General Shareholders' Meeting

1. Prior to the commencement of the presentation period, if appropriate based on the manner of holding the General Shareholders' Meeting, and in any case prior to the voting on the proposed

The chair, or if applicable, the secretary, may project the data resulting from the list of attendees onto the screens of the place where the meeting is held instead of reading the data.

2. The chair of the General Shareholders' Meeting shall then, if appropriate, declare the existence of a proper and sufficient quorum on first or second call, as the case may be, and shall decide if the shareholders can debate and adopt resolutions regarding all matters contained in the agenda or if, on the contrary, debate must be limited to only some of them.

3. If appropriate, the chair of the General Shareholders' Meeting shall announce the presence of a notary public at the meeting and shall identify such notary public, reporting on the request that the notary public prepare the minutes of the meeting.

No shareholder or proxy representative may make a presentation without having been granted the floor or in order to deal with matters that are not included in the agenda of the call to meeting, unless otherwise provided by law.

2. Shareholders or their proxy representatives must make reasonable use of their right to make a presentation with respect to both the duration thereof, which shall be a maximum of five minutes, without prejudice to the chair’s powers to limit or extend such time, and the content thereof, which must conform to the provisions of the preceding section and to the respect deserved by the proceedings and the other attendees. If the number of presentations requested or other circumstances so advise, the chair of the General Shareholders’ Meeting may set a maximum period less than that mentioned above, giving due regard in each case to the principles of equal treatment and non-discrimination among the presenting shareholders.

This shall be required if there is a request for their presentation to be recorded verbatim in the minutes. In this case, the Shareholder’s Office shall deliver the text to the secretary or to the notary public, if any, in order for it to be compared with the shareholder’s presentation at the time it is made.

### Article 37. Temporary Suspension

1. In exceptional cases, when there are incidents that temporarily prevent the normal progress of the meeting, the chair of the General Shareholders’ Meeting may resolve to suspend the session for the time the chair deems appropriate in order to re-establish the conditions needed for the continuation thereof. The chair may adopt such additional measures as the chair deems appropriate to ensure the safety of the attendees and to avoid the repetition of circumstances that might again affect the proper conduct of the meeting.

2. The General Shareholders’ Meeting shall be deemed to be a single meeting, and a single set of minutes shall be prepared for all of the sessions.

2. Once the meeting has resumed, if the situation that gave rise to the suspension persists, the chair shall consult with the Presiding Committee in order for the shareholders to approve a continuation of the meeting on the next day. In the event the continuation is not approved, the chair shall immediately adjourn the meeting.

Regulations, insofar as applicable, shall apply to any proposed resolutions validly submitted by remote attendees.

5. The replies to the requests for information referred to in the preceding section, when appropriate, shall be given during the meeting itself or in writing within seven days following the holding of the General Shareholders’ Meeting.
2. Once the continuation of the General Shareholders’ Meeting has been approved, there shall be no need to repeat compliance with the provisions of law or the Corporate Governance System in subsequent sessions for them to be validly held. The quorum needed to adopt resolutions shall be determined based on the results of the initial list of attendees, even if one or more of the shareholders included therein do not attend subsequent meetings, without prejudice to the provisions of Article 41.3.

1. The shareholders acting at a General Shareholders’ Meeting shall adopt resolutions with the majorities required by law or the By-Laws. Each voting share, whether represented in person or by proxy at the General Shareholders’ Meeting, shall grant the holder the right to one vote, without prejudice to the limitations on the maximum number of votes that may be cast by a shareholder, the conflicts of interest provided for in Article 28 of the By-Laws, other instances in which the By-Laws provide for the suspension of voting rights, or the restrictions established by law.

2. Except in cases in which the law or the By-Laws require a greater majority, the shareholders acting at a General Shareholders’ Meeting shall adopt resolutions by simple majority of the shareholders present in person or by proxy, with a resolution being deemed adopted when it receives more votes in favour than against.

For purposes of determining the number of shares upon which the majority needed to adopt the various resolutions shall be calculated, all shares appearing on the list of attendees shall be deemed to be in attendance, present or represented at the meeting, less: shares whose owners or representatives have left the meeting prior to the voting on the proposed resolution in question and have recorded their withdrawal with the notary public or assistants thereto (or, in the absence thereof, with the secretary for the General Shareholders’ Meeting); and shares which, by application of the provisions of law or the By-Laws, are totally or partially deprived of the right to vote in general, or on the particular resolution in question, or shares in respect of which the exercise of the right to vote has been suspended for the holders thereof.

3. Once the chair of the General Shareholders’ Meeting, at the time of voting, finds the existence of a sufficient number of votes in favour or against all or some of the proposed resolutions, the
chair may declare them to be approved or rejected by the shareholders at the General Shareholders’ Meeting, without prejudice to the statements that the shareholders or their proxy representatives may desire to make to the notary public or to the assistants thereto or, if applicable, to the secretary for the General Shareholders’ Meeting, regarding the direction of their vote for such statements to be recorded in the minutes of the meeting.

4. Without prejudice to the provisions of the preceding section, for each resolution submitted to a vote at the General Shareholders’ Meeting, there must be a determination of at least the number of shares for which valid votes have been cast, the proportion of share capital represented by such votes, the total number of valid votes cast, the number of votes in favour and against each resolution, and the number of abstentions and votes in blank, if any.

5. Without prejudice to the provisions of the preceding section, for each resolution submitted to a vote at the General Shareholders’ Meeting, there must be a determination of at least the number of shares for which valid votes have been cast, the proportion of share capital represented by such votes, the total number of valid votes cast, the number of votes in favour and against each resolution, and the number of abstentions and votes in blank, if any.

Article 42. Closure

Once the voting on the proposed resolutions has been completed and the results have been announced by the chair of the General Shareholders’ Meeting, the General Shareholders’ Meeting shall end and the chair thereof shall bring the meeting to a close, adjourning the session.

Article 43. Minutes

1. The minutes of the meeting may be approved by the shareholders at the end of the General Shareholders’ Meeting, and otherwise within a period of fifteen days by the chair of the General Shareholders’ Meeting and two inspectors, one on behalf of the majority and the other on behalf of the minority.

2. Once the minutes are approved, they shall be signed by the secretary for the General Shareholders’ Meeting, with the approval of the chair. In the event the aforementioned persons are unable to do so for any reason, they shall be replaced.
by the persons established by law or the By-Laws.

3. In the event that a notary public takes part in the General Shareholders’ Meeting, the notarial minutes shall be deemed the minutes of the General Shareholders’ Meeting and shall not require approval.

4. If the General Shareholders’ Meeting is held exclusively by remote means, the minutes of the meeting must be drawn up by a notary public.

1. Without prejudice to registration of recordable resolutions with the Commercial Registry or to applicable legal provisions regarding the publication of corporate resolutions, the Company shall communicate to the National Securities Market Commission the literal text or a summary of the contents of the resolutions approved at the General Shareholders’ Meeting.

2. The text of the resolutions adopted and the voting results shall be published in full on the Company’s corporate website within five days of the end of the General Shareholders’ Meeting.

3. Furthermore, at the request of any shareholder or their representative at the General Shareholders’ Meeting, the secretary of the Board of Directors shall issue a certification of the resolutions or of the minutes.
