To the National Securities Market Commission

Other relevant information

Closing of the second edition of the “Iberdrola Retribución Flexible” optional dividend system corresponding to the fiscal year 2022

Pursuant to article 227 of the *restated text of the Securities Market Law*, approved by *Royal Legislative Decree 4/2015, of 23 October (texto refundido de la Ley del Mercado de Valores, aprobado por el Real Decreto Legislativo 4/2015, de 23 de octubre)* and related provisions, and further to the notices of other significant information (*comunicaciones de otra información relevante*) filed with this National Commission on 26 October 2022, 20 December 2022 and 4 January 2023 (with official registry numbers 18,846, 19,707 and 19.868, respectively) regarding: (i) the implementation of the paid-up capital increase approved by the General Shareholders’ Meeting of Iberdrola, S.A. (the “**Company**”) held on 17 June 2022 under item 12 on the agenda¹ (the “**Capital Increase**”); and (ii) the payment of an interim dividend corresponding to the fiscal year 2022 approved by the Board of Directors on 25 October 2022² (the “**Interim Dividend**”), both in the context of the second edition of the “*Iberdrola Retribución Flexible*” optional dividend system corresponding to the fiscal year 2022, we hereby inform you that:

- (a) The period for trading the free-of-charge allocation rights corresponding to the Capital Increase ended on 19 January 2023.
- (b) During the period established for such purpose, the holders of 1,305,893,982 shares of the Company have elected to receive the Interim Dividend, which represents 20.526 % of the share capital of the Company. As a consequence, the total gross amount of the Interim Dividend that will be distributed on 31 January 2023 is 235,060,916.76 euros, which results from multiplying the gross amount of the Interim Dividend per share (0.180 euros) by the number of shares whose holders have chosen to receive the Interim Dividend (1,305,893,982).

As a result, these shareholders have expressly waived 1,305,893,982 free-of-charge allocation rights and, thus, 21,764,899.70 new shares corresponding to the referred rights. Furthermore, the payment of the Interim Dividend has been rendered without effect in respect of the amount which has not been distributed

¹ And under the section titled «*Common terms and conditions of the dividend payment and increase in capital resolutions proposed under items 10, 11 and 12 on the agenda, by virtue of which the “Iberdrola Flexible Remuneration” optional dividend system is implemented*» (the “**Common Terms**”).

² The referred payment was ratified by the Board of Directors of the Company by means of the resolution approved on 20 December 2022, after attesting the compliance of the requirements set forth in article 277 of the Spanish Companies Act (*Ley de Sociedades de Capital*).

to those shareholders who have chosen (expressly or tacitly) any of the remaining options under the “Iberdrola Retribución Flexible” optional dividend system.

- (c) Likewise, given that the maximum number of shares of the Company to be issued –after deducting the shares which holders have chosen to receive the Interim Dividend (waiving the free-of-charge allocation rights to which they were entitled)– was a fraction, the Company has waived 18 free-of-charge allocation rights that it holds in order for the number of new shares ultimately issued in the Capital Increase to be a whole number and not a fraction.
- (d) Therefore, the final number of ordinary shares with a unitary par value of 0.75 euros that will be issued in the Capital Increase is 84,270,000, with the nominal amount of the Capital Increase being 63,202,500.00 euros, which entails an increase of 1.325 % over the share capital of the Company prior to the implementation of the Capital Increase.
- (e) As a consequence, the share capital of the Company after the Capital Increase will amount to 4,834,773,000 euros, represented by 6,446,364,000 ordinary shares having a nominal value of 0.75 euros each, fully subscribed for and paid up.
- (f) It is expected that, subject to compliance with all legal requirements (particularly, the verification of such compliance by the National Securities Market Commission), the new shares will be admitted to trading on the Madrid, Barcelona, Bilbao and Valencia Stock Exchanges, through the Automated Quotation System (Electronic Market), on Tuesday, 31 January 2023. In this respect, the ordinary trading of the new shares is expected to commence on Wednesday, 1 February 2023.

Finally, and for the purposes of article 1.5.(g) of the *Regulation (EU) 2017/1129 of the European Parliament and of the Council, of 14 June 2017, on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market, and repealing Directive 2003/71/EC* (the “**Regulation**”), it is hereby stated that this information supplements the content of the information memorandum that was filed by virtue of the notice of other significant information (*comunicación de otra información relevante*) on 26 October 2022 (with official registry number 18,846), relating to the second edition of the “*Iberdrola Retribución Flexible*” optional dividend system corresponding to 2022 (the “**Information Memorandum**”), as supplemented by virtue of the notices of other significant information (*comunicación de otra información relevante*) filed with this National Commission on 20 December 2022 and 4 January 2023 (with official registry numbers 19,707 and 19.868, respectively).

Likewise, it is stated that the Information Memorandum (*documento informativo*), as supplemented from time to time, constitutes the document referred to in article 1.5.(g) of the Regulation, and renders the preparation and publication of a prospectus (*folleto informativo*) with respect to the Capital Increase unnecessary.

As a consequence, this notice is a part of the Information Memorandum, and should therefore be read in conjunction with such document.
