## Annex

### Article 9.- Shareholders and other Stakeholders

The Board of Directors shall endeavour to ensure the effective engagement of the **Company's** shareholders and other Stakeholders in **its the** business enterprise, affording equal treatment to all shareholders in the same situation.

### Article 13.- Powers of the Board of Directors

1. The Board of Directors has the power to adopt resolutions regarding all matters not assigned by law or the *By-Laws* to the shareholders acting at a General Shareholders' Meeting.
2. The Board of Directors has the broadest powers and authority to manage and represent the Company.
3. Notwithstanding the foregoing, pursuant to the Governance and Sustainability System, the Board of Directors shall focus its activity on approving strategic goals at the Group level, on defining its organisational model and on supervising compliance therewith and further development thereof. The Board of Directors may rely on the Executive Committee to perform this supervisory duty.

Without prejudice to the non-delegable powers provided for by law and the Governance and Sustainability System, the Board of Directors shall generally entrust the duties of strategic supervision, organisation and coordination at the Group level to the chairman of the Board of Directors, to the chief executive officer and to the management team, who shall disseminate, implement and monitor the overall strategy and basic guidelines established by the Board of Directors for the management thereof.

4. The Board of Directors shall supervise the activities of the chairman of the Board of Directors, of the chief executive officer and of the Executive Committee, and shall guarantee the effectiveness of the checks and balances system provided for by law and the Governance and Sustainability System.
5. The main function of the Company is to act as the parent company of the Group. In this regard, the Board of Directors shall decide on the creation of country subholding companies in the territories or countries or in relation to the businesses it considers appropriate. The country subholding companies group together the equity stakes in the head of business companies of the Group and strengthen the function of strategic supervision, organisation and coordination and further develop them in relation to the territories, countries and businesses decided by the Board of Directors, disseminating, implementing and ensuring compliance with the policies, strategies and general guidelines covering the Group based on the characteristics and particularities of their respective territories, countries or businesses. Also, to centralise the provision of services common to their subsidiaries, in accordance with the provisions of applicable law and especially the legal provisions regarding the separation of regulated activities.
6. The Board of Directors shall design, evaluate and review the Governance and Sustainability System on an ongoing basis. In particular, it shall approve the *Purpose and Values of the Iberdrola Group* and shall attend to the approval and update of the corporate policies, which shall further develop the principles reflected in the *By-Laws* and other elements of the Governance and Sustainability System and codify the guidelines that should govern the activities of the Company and of the other companies within the Group, as well as its directors, management personnel and other professionals. These corporate policies shall group together those relating to environmental, social and corporate governance and regulatory compliance aspects.
7. The Board of Directors, within its powers regarding approval of strategic goals at the Group level and the definition of its organisational model, shall occupy itself with the following matters, among others:
  - a. Establish, within legal limits, the Group-level policies and strategies and the basic guidelines for the management thereof, entrusting to the management decision-making bodies and to the management of the head of business companies of the Group the duties of effective administration and day-to-day management of the businesses.
  - b. Supervise, with the support of the Executive Committee, the chairman of the Board of Directors, the chief executive officer and the management team, as well as with that of the country subholding companies within their respective territories, countries or businesses, the general development of such policies, strategies and guidelines by the head of business companies of the Group, establishing appropriate mechanisms for the coordination and exchange of information in the interest of the Company and of the other companies included within the Group.
  - c. Agree with each of the listed country subholding companies of the Group on their respective special framework of strengthened autonomy and ensure compliance therewith.
  - d. Decide on matters of strategic importance at the Group level.
8. In particular, the Board of Directors, acting upon its own initiative or at the proposal of the corresponding internal decision-making body, shall occupy itself with the matters set forth below (as an example only):
