Report on and review the criteria that should be followed in composing the Board of Directors and in selecting candidates, and particularly the necessary competence, knowledge and experience, and assess the time and dedication required for the proper performance of their work. In the exercise of this power, the Appointments Committee shall take into account, regarding non-external directors, the relation between the number of proprietary directors and the number of independent directors, such that the composition of the Board of Directors reflects, as far as possible, the ratio of the Company's voting share capital represented by proprietary directors to the rest of the share capital.

b. Regularly review, evaluate compliance with and propose the amendment of the Board of Directors Diversity and Member Selection Policy.

c. Ensure that when new vacancies are filled or new directors are appointed, the selection procedures are free from any implied bias entailing any kind of discrimination and, in particular, from any bias that may hinder the selection of female directors.

d. Establish a goal for representation by the less represented gender on the Board of Directors and prepare guidance on how to reach this objective.

Report on proposed appointments of directors other than independent directors for the designation thereof by the interim appointment (co-option) procedure or for the submission of such proposals to a decision by the shareholders at the General Shareholders' Meeting, as well as the proposed re-elections or removals of such directors by the shareholders at the General Shareholders' Meeting.

g. Report on and make proposals for appointment to internal positions on the Board of Directors and proposals relating to the appointment of the members that must make up each of the committees, verifying and confirming compliance with the requirements of expertise and experience in connection with the powers of the committee in question and, in particular, those of the Audit and Risk Supervision Committee.

h. Establish and supervise an annual programme for continuous evaluation and review of the qualifications and, if applicable, independence of the directors, as well as of ongoing compliance thereby with the requirements of respectability, capability, expertise, competence, availability and commitment to their duties as directors and as members of a given committee, and propose to the Board of Directors such measures as it deems advisable in this regard, with the power to collect any information or documentation that it deems necessary or appropriate for such purposes.

i. Coordinate the evaluation of the operation of the Board of Directors and of the committees thereof, and submit to the full board the results of said evaluation together with a proposed action plan or with recommendations to correct any potential detected deficiencies or to improve the operation of the Board of Directors or the committees thereof.

j. Examine and organise the succession of the chairman of the Board of Directors and of the chief executive officer of the Company and, if applicable, make proposals to the Board of Directors for such succession to occur in an orderly and well-planned fashion, in accordance with the succession plans approved by the Board of Directors.

k. Supervise the process of selecting candidates to hold the position of chief executive officer and to be members of senior management of the Company and report on the proposals of the chairman of the Board of Directors regarding the appointment or removal of the chief executive officer and of the members of senior management.

l. Report on or prepare proposals regarding the appointment or removal of external directors of both unlisted country subholding companies and of other companies in which the Company has a direct or indirect interest and that are not controlled by a country subholding company.
