

MiFID II product governance / Professional investors and ECPs only target market – solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Senior Notes has led to the conclusion that: (i) the target market for the Senior Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, **MiFID II**); and (ii) all channels for distribution of the Senior Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Senior Notes (a **distributor**) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Senior Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

UK MiFIR product governance / Professional investors and ECPs only target market – solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Senior Notes has led to the conclusion that: (i) the target market for the Senior Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (**COBS**), and professional clients, as defined in Regulation (EU) No. 600/2014 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (**UK MiFIR**); and (ii) all channels for distribution of the Senior Notes to eligible counterparties and professional clients are appropriate. A distributor should take into consideration the manufacturer’s target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the **UK MiFIR Product Governance Rules**) is responsible for undertaking its own target market assessment in respect of the Senior Notes (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Senior Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (**EEA**). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation. Consequently, no key information document required by Regulation (EU) No 1286/2014 (the **PRIIPs Regulation**) for offering or selling the Senior Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Senior Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Senior Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (**UK**). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No. 2017/565 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (**EUWA**); or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000, as amended (the **FSMA**), and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No. 600/2014 as it forms part of UK domestic law by virtue of the EUWA. Consequently no key information document required by Regulation (EU) No. 1286/2014 as it forms part of UK domestic law by virtue of the EUWA (the **UK PRIIPs Regulation**) for offering or selling the Senior Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Senior Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

2. RATINGS

Ratings: The Senior Notes to be issued are expected to be rated:

Standard & Poor's Global Ratings Europe Limited
(**S&P**): BBB+

Moody's Investor Service Limited (**Moody's**):
Baa1

Fitch Ratings Limited (**Fitch**): A-

According to S&P's ratings definitions available at

https://www.standardandpoors.com/en_US/web/guest/article/-/view/sourceId/504352, a rating by S&P of "BBB" indicates adequate protection parameters. However, adverse economic conditions or changing circumstances are more likely to weaken the obligor's capacity to meet its financial commitments on the obligation. The addition of a plus (+) or minus (-) sign to a rating is to show relative standing within the relevant rating category.

According to Moody's ratings definitions available at

https://www.moody.com/researchdocumentcontentpage.aspx?docid=PBC_79004, a rating by Moody's of "Baa" indicates moderate credit risk. Such obligations are considered medium-grade and as such may possess speculative characteristics. Moody's appends numerical modifiers 1, 2, and 3 to each generic rating classification from "Aa" through "Caa". The modifier "1" indicates that the obligation ranks in the higher end of its generic rating category.

According to Fitch's ratings definitions available <https://www.fitchratings.com/research/fund-asset-managers/rating-definitions-24-04-2023>, a

rating by Fitch of “A” denotes expectations of low default risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings. The modifiers “+” or “-” may be appended to a rating to denote relative status within major rating categories.

S&P is established in the European Union and is registered under Regulation (EC) No. 1060/2009 (as amended, the **CRA Regulation**). As such, S&P is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website in accordance with the CRA Regulation (<http://www.esma.europa.eu/page/List-registered-and-certified-CRAs>).

Each of Moody’s and Fitch is not established in the European Union and has not applied for registration under the CRA Regulation. The ratings issued by Moody’s and Fitch are expected to be endorsed by Moody’s Deutschland GmbH and Fitch Ratings Ireland Limited respectively in accordance with the CRA Regulation. Each of Moody’s Deutschland GmbH and Fitch Ratings Ireland Limited is established in the European Union and registered under the CRA Regulation. As such each of Moody’s Deutschland GmbH and Fitch Ratings Ireland Limited is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website in accordance with the CRA Regulation (<http://www.esma.europa.eu/page/List-registered-and-certified-CRAs>).

3. INTERESTS OF NATURAL AND LEGAL PERSONS INVOLVED IN THE ISSUE

So far as the Issuer is aware and save for the fees payable to the Managers, no person involved in the offer of the Senior Notes has an interest material to the offer. The Managers and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, have a lending relationship with, and may perform other services for, the Issuer and the Guarantor and their affiliates in the ordinary course of business. For the purpose of this paragraph the term “affiliates” includes also parent companies.

4. USE OF PROCEEDS AND ESTIMATED NET PROCEEDS

Use of Proceeds:

To finance the growth of the Guarantor’s Group (which may include financing the acquisition of an 88 per cent. stake in Electricity North West (ENW)) and/or for general corporate purposes of the Group.

Estimated net proceeds:

€646,282,000

5. YIELD

Indication of yield: 2.736 per cent. (annual)

The yield is calculated at the Issue Date on the basis of the Issue Price. It is not an indication of future yield.

6. OPERATIONAL INFORMATION

ISIN: XS2909821899

Common Code: 290982189

Any clearing system(s) other than Euroclear and Clearstream Luxembourg and the relevant identification number(s): Not Applicable

Names and addresses of additional Paying Agent(s) (if any): Not Applicable

Intended to be held in a manner which would allow Eurosystem eligibility: Yes

Note that the designation “yes” simply means that the Senior Notes are intended upon issue to be deposited with one of the International Central Securities Depositories (ICSDs), being Euroclear and Clearstream, Luxembourg, as common safekeeper, and does not necessarily mean that the Senior Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life. Such recognition will depend upon the ECB being satisfied that Eurosystem eligibility criteria have been met.
