

Our sustainability roadmap

Boosting electricity
 as a clean, autonomous,
 local, stable, safe and
 competitive energy source

- Protecting **nature** and fostering an **efficient use of resources**
- Working to ensure a **sustainable value chain**
- **Strengthening human and social capital**
- Keeping our culture of ethics, transparency and **good governance**

Initiatives during the period

Boosting electricity

Construction begins on the Eastern Green Link I subsea electricity superhighway

Protecting nature

The Avangrid Foundation provides grants to 19 wildlife-focused organisations in the United States

Sustainable value chain

The Q-Zero Alliance highlights the opportunities created by decarbonisation. It already includes 100 member organisations

Strengthening human and social capital

Iberdrola holds its 2024–2025 Scholarships Ceremony with the presence of the king of Spain and awards 76 scholarships

Good governance

Iberdrola and Avangrid recognised as leaders in ethics and compliance in the Ethisphere Institute's World's Most Ethical Companies ranking

Recognition for strong sustainability performance

Once again, we lead the global ranking of the most transparent companies in climate matters, with the top "A List" score from CDP

We are the cleanest utility in the world and the top Spanish company in the *Clean200* ranking by Corporate Knights

The Top Employers seal has now been awarded to the entire Iberdrola Group, making us the only energy company in the world to achieve this
