Galán presents on Bloomberg Iberdrola's first quarter of 2020 results

Iberdrola chairman Ignacio Galán spoke to Francine Lacqua and Tom Keene on Bloomberg TV's Surveillance program to discuss Iberdrola's first quarter results. Here are some of the main ideas he discussed:

- The impact of the Covid-19 pandemic on energy demand and prices.
- Oil prices and the outlook for renewable energy
- The management of the pandemic in Spain and Iberdrola's response
