Galán discusses Iberdrola's results of the first quarter of 2020 on CNBC

Iberdrola chairman Ignacio Galán spoke to Geoff Cutmore and Steve Sedgwick on CNBC's [Squawk Box](#) program to discuss Iberdrola's first quarter results. He highlighted:

- The current situation in Spain in terms of managing the Covid-19 pandemic.
- Business performance in the first quarter and growth of Ebitda and increasing investment
- Measures put in place to support customers financially
- Green recovery and the importance of investing in renewables
