This morning, Iberdrola's headquarters in Madrid welcomed Her Majesty the Queen of Spain, Honorary Chairwoman of the FAD, to preside over the Foundation's Board Meeting. Queen Letizia was joined by the Chairman of Iberdrola, Ignacio Sánchez Galán; the Chairman of the FAD, Ignacio Bayón; the Deputy Chairpersons of the FAD, Catalina Luca de Tena and Ignacio Calderón; and all of their fellow FAD Board Members.

Iberdrola's Chairman, Ignacio Galán, wished to highlight the fact that “The FAD has become a benchmark in promoting personal development among teenagers to prevent socially hazardous behaviour.”

Mr Galán then added that: “Iberdrola cannot help but join in the enthusiasm of such an indispensable mission to ensure a bright future for the generations to come, especially in such a rapidly evolving context riddled with social changes as new technologies surge.”
