

## “Leaders in climate action” VIDEO VOICE TRANSCRIPTION

**Subtitles and Voice over:** “We have been focused for quite some time on an essential goal: Greener energy, a greener world. And today, Iberdrola is already a world leader in clean energy and in the fight against climate change. But we wanted to go even further.”

“ACTION!”

“Our shareholders endorse Iberdrola’s commitment to climate action with their support at the General Shareholders’ Meeting. To all our shareholders: thank you.”
