5 Conversion of Bonds

(a) *Conversion Period and Conversion Price*

(i) The Issuer grants to each Bondholder the right (the “**Conversion Right**”) exercisable at any time during any Conversion Period to require the Bond(s) held by it to be purchased in accordance with the provisions of Condition 5(c).

(ii) “**Conversion Period**” means each of:

- (A) the period from and including 12 July 2022 to and including the Scheduled Trading Day immediately preceding the 28th Scheduled Trading Day before the Final Maturity Date; or
- (B) any of the following periods occurring after 31 December 2015 (in the case of the Original Bonds), or after 5 June 2020 (in the case of the New Bonds), and prior to the Final Maturity Date:
 - (I) if the Issuer declares the Bonds due for early redemption pursuant to Condition 9(b), (in respect of Bonds to be redeemed pursuant to Condition 9(b)(i)) the period from and including the date on which the Optional Redemption Notice is published up to and including the eighth Scheduled Trading Day preceding the Optional Redemption Date or (in respect of Bonds to be redeemed pursuant to Condition 9(b)(ii)) the period from and including the date on which the Tax Redemption Notice is given up to and including the eighth Scheduled Trading Day preceding the Tax Redemption Date;
 - (II) if the Guarantor makes a distribution to Shareholders of cash, assets, Securities or other property where the Fair Market Value of such distribution per Ordinary Share is greater than 20 per cent. of the arithmetic mean of the Share Price on each Scheduled Trading Day in the 20 Scheduled Trading Day period ending on (and including) the Scheduled Trading Day immediately preceding the date on which such distribution was first publicly announced by the Guarantor, the period from and including the date of first public announcement of such distribution to but excluding the Ex-Date in respect of such distribution;
 - (III) if a Put Event occurs, the Put Period;
 - (IV) if any Event of Default occurs, the period from and including the date on which such Event of Default occurs to but excluding the date (if any) which the relevant Bonds are declared due and payable pursuant to Condition 12 or, if earlier, the date the relevant Event of Default ceases to be continuing;
 - (V) if the Bonds are to be redeemed pursuant to Conditions 8 or 9(d), the period from and including the Relevant Announcement Date up to and including the eighth Scheduled Trading Day preceding the Early Redemption Date;

- (VI) if a Parity Event occurs, the period of 10 consecutive Scheduled Trading Days commencing on and including the first Scheduled Trading Day following the last day of the relevant Reference Period; provided that, if for any period of 10 consecutive Scheduled Trading Days as aforesaid no such price is available from the relevant Bloomberg page or such other source referred to in the definition of Bond Market Price (a “**Bond Price Unavailability Period**”), then an Independent Adviser shall, not later than the Bond Price Determination Date, determine in good faith the market price per €100,000 principal amount of the Bonds as at the Bond Price Determination Date and if, as at the Bond Price Determination Date, the price per €100,000 principal amount of the Bonds, as determined by an Independent Adviser, is less than the Adjusted Parity Value, then Bondholders will be entitled to exercise Conversion Rights during a period of 30 Scheduled Trading Days following the later of the Bond Price Determination Date and the giving of notice by the Issuer to Bondholders as provided below.

Neither the Issuer nor the Calculation Agent shall be under any duty to monitor whether a Parity Event has occurred and neither the Issuer nor Calculation Agent will be responsible or liable to any person for any loss arising from any failure by it to do so.

In these Conditions:

“**Adjusted Parity Value**” means, in respect of any Scheduled Trading Day, 98 per cent. of the Parity Value in effect on each such Scheduled Trading Day;

“**Bond Price Determination Date**” means the fifth Scheduled Trading Day following the end of any Bond Price Unavailability Period;

A “**Parity Event**” shall occur in relation to each Reference Period during which on each Scheduled Trading Day of such Reference Period the Bond Market Price per €100,000 principal amount of the Bonds on such Scheduled Trading Day, as determined by the Calculation Agent, is less than the Adjusted Parity Value in effect on each such Scheduled Trading Day;

“**Parity Value**” means, in respect of any Scheduled Trading Day, the product of the Share Price on such Scheduled Trading Day and the Conversion Ratio on such Scheduled Trading Day; and

“**Reference Period**” means each period of 10 consecutive Scheduled Trading Days.

The Issuer shall as soon as reasonably practicable following such determination give notice to Bondholders of any determination provided to the Issuer by the Calculation Agent, or, as the case may be, an Independent Adviser, as provided in Condition 5(a)(ii)(B)(VII). Such notice shall specify the market price per €100,000 principal amount of the Bonds, as determined by the Calculation Agent, or, as the case may be, an Independent Adviser, as at the relevant Bond Price Determination Date and the Adjusted Parity Value as at the relevant Bond Price Determination Date. The Issuer shall as soon as reasonably practicable, and in any event within five Madrid business days of the relevant event, give notice to Bondholders if an event described in Conditions 5(a)(ii)(B)(II) or 5(a)(ii)(B)(IV) has occurred.

- (iii) Conversion Rights may not be exercised in respect of a Bond in relation to which the relevant Bondholder has (A) given notice referred to in Condition 12 or (B) exercised its right to require the Issuer to redeem pursuant to Condition 9(c).

(b) *Procedure for Exercise of Conversion Rights*

Conversion Rights may be exercised by a Bondholder during the Conversion Period by delivering the Certificate representing the relevant Bond to the specified office of any Paying, Transfer and Conversion Agent, during its usual business hours, accompanied by a duly completed and signed notice of conversion (a “**Conversion Notice**”) in the form (for the time being current) obtainable from any Paying, Transfer and Conversion Agent. Conversion Rights shall be exercised subject in each case to any applicable fiscal or other laws or regulations applicable in the jurisdiction in which the specified office of the Paying, Transfer and Conversion Agent to whom the relevant Conversion Notice is delivered is located.

If such delivery is made after the end of normal business hours or on a day which is not a business day in the place of the specified office of the relevant Paying, Transfer and Conversion Agent, such delivery shall be deemed for all purposes of these Conditions to have been made on the next following such business day.

Any determination as to whether a Conversion Notice has been duly completed and properly delivered shall be made by the relevant Paying, Transfer and Conversion Agent and shall, save in the case of manifest error, be conclusive and binding on the Issuer, the Paying, Transfer and Conversion Agents and the relevant Bondholder.

A Conversion Notice, once delivered, shall be irrevocable.

The conversion date in respect of a Bond (the “**Conversion Date**”) shall be the Madrid business day immediately following the date of the delivery of the relevant Certificate and the Conversion Notice as provided in this Condition 5(b).

Neither the Issuer nor the Guarantor shall be responsible for determining whether any stamp or transfer taxes and duties are payable or the amount thereof and shall not be responsible or liable for any failure to pay such stamp or transfer taxes and duties.

A Bondholder must pay all, if any, taxes imposed on it and arising by reference to any disposal or deemed disposal of a Bond or interest therein in connection with the exercise of Conversion Rights by it.

(c) *Purchase of the converted Bond(s) by the Issuer*

Upon the valid exercise of Conversion Rights by a Bondholder, the Issuer (failing which the Guarantor) will purchase the relevant Bond(s) at the Cash Amount calculated in accordance with Condition 5(d).

All Bonds purchased by or on behalf of the Issuer may be surrendered and cancelled or, at the Issuer’s option, may be held, resold or reissued.

(d) *Cash Amount*

(i) Upon any exercise of Conversion Rights with respect to one or more Bonds, the Issuer (failing which the Guarantor) shall pay, as consideration for purchasing the Bonds, the Cash Amount to the converting Bondholder on the relevant Settlement Date, subject to the provisions of Conditions 5(d)(ii).

In these Conditions:

“**Averaging Date**” means, subject to an adjustment for Disrupted Days pursuant to Condition 7, each Scheduled Trading Day within the Calculation Period;

“**Calculation Period**” means the period of 20 consecutive Scheduled Trading Days commencing on the sixth Scheduled Trading Day immediately following the relevant Conversion Date, and

“Cash Amount” means, the sum (rounded to two decimal places with €0.005 being rounded upwards) of the Daily Cash Amounts, where “Daily Cash Amount” or “DCA” means an amount in euro calculated by the Calculation Agent in accordance with the following formula:

$$DCA = \frac{1}{N} \times RCR_n \times P_n$$

Where:

N = 20;

P_n = the Share Price on the nth Averaging Date; and

RCR_n = the Relevant Conversion Ratio prevailing on the nth Averaging Date.

(ii) If following the valid exercise by a Bondholder of its Conversion Right and prior to the relevant Settlement Date an event occurs as a result of which the relevant Bonds would otherwise fall to be redeemed in accordance with Condition 8 or 9(d) had the Bondholder not exercised its Conversion Right in respect of them, the Issuer shall pay, as consideration for purchasing the Bonds, the Early Redemption Amount (and not the Cash Amount) on the Early Redemption Date.

(e) Purchase or Redemption of Ordinary Shares

The Guarantor or any Subsidiary of the Guarantor (including the Issuer), may exercise such rights as it may from time to time enjoy to purchase, hold, redeem or buy back any shares of the Guarantor (including Ordinary Shares) or any depositary or other receipts or certificates representing the same without the consent of any Bondholder.

(f) No Duty to Monitor

Neither the Calculation Agent nor the Fiscal Agent nor any Paying, Transfer and Conversion Agent shall be under any duty to monitor whether any event or circumstance has happened or exists or may happen or exist and which requires or may require an adjustment to be made to the Conversion Price.

6 Adjustment of Conversion Price

(a) The Calculation Agent shall adjust the Conversion Price as follows:

(i) MEFF Adjustments to Contracts Specifications

(x) If options contracts in respect of the Ordinary Shares are traded on MEFF and MEFF adjusts such options contracts in light of any corporate actions and/or capital adjustments, the Calculation Agent shall, to the extent required and with effect as of the same date, adjust the Conversion Price to reflect the adjustments effected by MEFF (if any) by multiplying the relevant Conversion Price by the adjustment factor (referred to as the “ratio” (or any successor terminology) in MEFF notices in respect of any adjustment to the exercise prices of option contracts in respect of shares) as determined and published by MEFF (and rounding if necessary the resulting Conversion Price in accordance with Condition 6(c)); provided that, in relation to Cash Distributions and Non Cash Distributions only, the Calculation Agent shall make the adjustments as set out in Condition 6(a)(ii) instead of any corresponding or other adjustment under the MEFF Adjustments to Contracts Specifications.

(y) If no options contracts in respect of the Ordinary Shares are traded on MEFF, (i) (in the case of an Adjustment Event pursuant to Sections 5.7.1, 5.7.2, 5.7.4, 5.7.5 or 5.7.7 of the MEFF Adjustments to Contracts Specifications and where the Calculation Agent determines in its sole discretion that it is capable of performing such adjustments in accordance therewith in its capacity

as Calculation Agent), the Calculation Agent or, (ii), in any other case, an Independent Adviser, shall make the necessary adjustments in light of any corporate actions and/or capital adjustments (other than in relation to the distribution by the Guarantor to its shareholders of a Cash Distribution or a Non Cash Distribution, in respect of which the Calculation Agent shall make the adjustments as set out in Condition 6(a)(ii)) in analogous application of the relevant MEFF Adjustments to Contracts Specifications.

(ii) *Distributions/Dividends*

(A) If, prior to the Final Maturity Date (1) an Ex-Date in respect of any Cash Distribution (a “**Relevant Cash Distribution**”) falls in a Relevant Period or (2) no Ex-Date in respect of a Cash Distribution falls in a Relevant Period, the Calculation Agent shall calculate the adjustment to the Conversion Price in accordance with the following formula (instead of any corresponding or other adjustment under the MEFF Adjustments to Contracts Specifications):

$$X_n = X_o \times R$$

Where:

- X_n = the adjusted Conversion Price;
- X_o = the Conversion Price on the Relevant Record Date;
- R = $(S_{prev} - D) / (S_{prev} - T)$;
- S_{prev} = the Closing Price of an Ordinary Share on the Relevant Record Date;
- D = (in the case of (1) above) the Fair Market Value of the Relevant Cash Distribution on a per Ordinary Share basis and (in the case of (2) above) zero; and
- T = the Dividend Threshold.

For the avoidance of doubt, if no Ex-Date falls in a Relevant Period or the Fair Market Value of the Relevant Cash Distribution is less than the relevant Dividend Threshold, the Conversion Price will be adjusted upwards. If the Fair Market Value of any such Relevant Cash Distribution exceeds the Dividend Threshold, the Conversion Price will be adjusted downwards.

(B) If an Ex-Date in respect of a Non Cash Distribution (a “**Relevant Non Cash Distribution**”) falls in a Relevant Period prior to the Final Maturity Date, the Calculation Agent shall calculate the adjustment to the Conversion Price in accordance with the following formula (instead of any corresponding or other adjustment under the MEFF Adjustments to Contracts Specifications):

$$X_n = X_o \times R$$

Where:

- X_n = the adjusted Conversion Price;
- X_o = the Conversion Price on the Relevant Record Date;
- R = $(S_{prev} - D) / (S_{prev})$;
- S_{prev} = the Closing Price of an Ordinary Share on the Relevant Record Date; and

D = the Fair Market Value of the Relevant Non Cash Distribution on a per Ordinary Share basis.

(C) Any adjustment to the Conversion Price pursuant to Condition 6(a)(ii) shall take effect on the Relevant Adjustment Date.

For the purposes of this Condition 6(a)(ii), Fair Market Value shall (subject as provided in paragraph (a) of the definition of “Dividend” and in the definition of “Fair Market Value”) be determined as at the Relevant Adjustment Date.

In making any calculations for the purposes of this Condition 6(a)(ii), such adjustments (if any) shall be made as the Calculation Agent may determine in good faith to be appropriate to reflect any consolidation or sub-division of any Ordinary Shares or the issue of Ordinary Shares by way of capitalisation of profits or reserves (or any like or similar event) or any increase in the number of Ordinary Shares in issue in relation to the Relevant Period (as defined below) in question.

(D) Definitions:

“**Cash Distribution**” means (i) any Dividend which is to be paid or made in cash (in whatever currency), but other than falling within paragraph (b) of the definition of “**Spin-Off**” and (ii) any Dividend determined to be a Cash Distribution pursuant to paragraph (a) or (c) of the definition of “**Dividend**”.

“**Dividend**” means any distribution or dividend to Shareholders (including a Spin-Off) whether of cash, assets or other property, and however described and whether payable out of share premium account, profits, retained earnings or any other capital or revenue reserve or account, and including a distribution or payment to holders upon or in connection with a reduction of capital (and for these purposes a distribution of assets includes without limitation an issue of Ordinary Shares or other Securities credited as fully or partly paid up by way of capitalisation of profits or reserves); *provided that*:

(a) where:

- (1) an issue of Ordinary Shares to Shareholders by way of a capitalisation of profits or reserves (including any share premium account or capital redemption reserve) is announced and where Shareholders have the option to transfer, sell or renounce all or a portion of their entitlement to receive Ordinary Shares to the Guarantor for a payment of cash by the Guarantor pursuant to a purchase commitment assumed by the Guarantor, then the capitalisation in question shall be treated as a Cash Distribution of an amount equal to the Fair Market Value of such cash amount; or
- (2) a dividend in cash is announced which may at the election of a Shareholder or Shareholders be satisfied by the issue or delivery of Ordinary Shares or other property or assets, or where an issue of Ordinary Shares to Shareholders by way of a capitalisation of profits or reserves (including any share premium account or capital redemption reserve) is announced which may at the election of a Shareholder or Shareholders be satisfied by the payment of cash (other than a capitalisation falling within (1) above), then the dividend or capitalisation in question shall be treated as a Cash Distribution of an amount equal to the greater of (i) the Fair Market Value of such cash amount and (ii) the Volume Weighted Average Price of such Ordinary Shares or, as the case may be, the Fair Market Value of such other property or assets, in any such case as at the first date on which the Ordinary Shares are traded ex- the relevant dividend or capitalisation on the Relevant Stock Exchange, save that where a

dividend in cash is announced which may at the election of a Shareholder or Shareholders be satisfied by the issue or delivery of Ordinary Shares where the number of Ordinary Shares to be issued or delivered is to be determined at a date or during a period following such announcement and is to be determined by reference to a publicly available formula based on the closing price or volume weighted average price or any like or similar pricing benchmark of the Ordinary Shares, without factoring in any discount to such price or benchmark, then such dividend shall be treated as a Cash Distribution in an amount equal to the Fair Market Value of such cash amount on such date as such cash amount is determined as aforesaid; or

- (3) there shall be any issue of Ordinary Shares to Shareholders by way of capitalisation of profits or reserves (including any share premium account or capital redemption reserve) where such issue is or is expressed to be in lieu of a dividend (whether or not a cash distribution equivalent or amount is announced) or a dividend in cash that is to be satisfied by the issue or delivery of Ordinary Shares or other property or assets (other than in any such case falling within (1) or (2) above), the capitalisation or dividend in question shall be treated as a Cash Distribution of an amount equal to the Volume Weighted Average Price of such Ordinary Shares or, as the case may be, the Fair Market Value of such other property or assets as at the first date on which the Ordinary Shares are traded ex- the relevant capitalisation or, as the case may be, ex- the relevant dividend on the Relevant Stock Exchange or, if later, the Dividend Determination Date, save that where a dividend in cash is announced which is to be satisfied by the issue or delivery of Ordinary Shares where the number of Ordinary Shares to be issued or delivered is to be determined during a period following such announcement and is to be determined by reference to a publicly available formula based on the closing price or volume weighted average price or any like or similar pricing benchmark of the Ordinary Shares, without factoring in any discount to such price or benchmark, then such dividend shall be treated as a Cash Distribution in an amount equal to the Fair Market Value of such cash amount on such date as such cash amount is determined as aforesaid;
- (b) where a dividend or distribution is paid or made to Shareholders pursuant to any plan implemented by the Guarantor for the purpose of enabling Shareholders to elect, or which may require Shareholders, to receive dividends or distributions in respect of the Ordinary Shares held by them from a person other than (or in addition to) the Guarantor, such dividend or distribution shall for the purposes of these Conditions be treated as a dividend or distribution made or paid to Shareholders by the Guarantor, and the foregoing provisions of this definition and the provisions of these Conditions shall be construed accordingly;
- (c) where a distribution in cash is declared which provides for payment by the Guarantor to Shareholders in the Relevant Currency, whether at the option of Shareholders or otherwise, it shall be treated as a Cash Distribution in the amount of such Relevant Currency and in any other case it shall be treated as a Cash Distribution in the amount and in the currency in which it is payable by the Guarantor;
- (d) a dividend or distribution that is a Spin-Off shall be deemed to be a Non Cash Distribution, and

any such determination shall be made on a gross basis and disregarding any withholding or deduction required to be made on account of tax, and disregarding any associated tax credit.

“**Dividend Determination Date**” means for the purposes of the definition of “Dividend” the date on which the number of Ordinary Shares or, as the case may be, amount of other property or assets, which may be issued or delivered is, or is capable of being, determined, and where determined by reference to prices or values or the like on or during a particular day or during a particular period, the Dividend Determination Date shall be deemed to be such day or the last day of such period, as the case may be.

“**Dividend Threshold**” means in respect of any Relevant Period, the amount per Ordinary Share corresponding to such Relevant Period as set out below (adjusted *pro rata* for any adjustments to the Conversion Price made pursuant to the provisions of this Condition 6 (including this Condition 6(a)(ii)). Notwithstanding the foregoing, (a) if no Ex-Date has occurred in a Relevant Period, for the purposes of the Relevant Adjustment Date falling on the first Scheduled Trading Day of the following Relevant Period, the Dividend Threshold shall be deemed to be the Dividend Threshold in respect of such Relevant Period in which no Ex-Date occurred, and (b) if more than one Ex-Date occurs in a Relevant Period, the Dividend Threshold set out in the table below shall apply to the first such Ex-Date to occur and the Dividend Threshold in respect of any subsequent Ex-Date occurring in such Relevant Period shall be zero.

As a result of adjustments to the Conversion Price made pursuant to the provisions of Condition 6 since the date on which the Original Bonds were issued, the Dividend Thresholds for the

Relevant Periods remaining as at 28 May 2020 are as set out in the following table (each being subject to further adjustment as described in the definition of “Dividend Threshold” above):

“**Ex-Date**” means the first Scheduled Trading Day on which the Ordinary Shares are traded ex-the relevant Cash Distribution or Non Cash Distribution, as the case may be, on the Relevant Stock Exchange.

“**Non Cash Distribution**” means a Dividend which is not a Cash Distribution and shall include a Spin-Off.

“**Relevant Adjustment Date**” means, (i) where the Guarantor pays or makes a Cash Distribution that results in an adjustment to the Conversion Price pursuant to Condition 6(a)(ii), the Ex-Date in respect of the Relevant Cash Distribution or, in case no Ex-Date falls in a Relevant Period, the first Scheduled Trading Day following the end of such Relevant Period and (ii) where the Guarantor makes a Non Cash Distribution that results in an adjustment to the Conversion Price pursuant to Condition 6(a)(ii), the Ex-Date in respect of the Relevant Non Cash Distribution.

“**Relevant Period**” means each successive period referred to in the table set out above.

“**Relevant Record Date**” means the Scheduled Trading Day which immediately precedes the Relevant Adjustment Date.

“**Spin-Off**” means:

- (a) a distribution of Spin-Off Securities by the Guarantor to Shareholders as a class; or
- (b) any issue, transfer or delivery of any property or assets (including cash or shares or other securities of or in or issued or allotted) by any entity (other than the Guarantor) to Shareholders as a class, pursuant in each case to any arrangements with the Guarantor or any of its Subsidiaries.

“**Spin-Off Securities**” means equity share capital of an entity other than the Guarantor or options, warrants or other rights to subscribe for or purchase equity share capital of an entity other than the Guarantor.

(b) Other adjustments of options contracts (summary only)

As at the Closing Date, the MEFF Adjustments to Contracts Specifications provide for adjustments of options contracts in respect of shares, including the Ordinary Shares, which would likely be applied by MEFF in determining adjustments to the options contracts related to the Ordinary Shares and in particular in calculating the adjustment factor (as determined by MEFF, or, pursuant to Condition 6(a)(i)(y), the Calculation Agent, or, as the case may be, an Independent Adviser) to be used by the Calculation Agent when determining adjustments of the Conversion Price, if any, pursuant to Condition 6(a) of these Conditions as set out above. The MEFF Adjustments to Contracts Specifications are subject

to change from time to time. Further, MEFF may call upon MEFF's Commission for Supervision & Surveillance when a corporate action takes place, even if such action is included in the below detailed events, when the nature of the corporate action may require an adjustment different from the one exposed in the MEFF Adjustments to Contracts Specifications. In these cases, the adjustment made due to the corporate action will be decided by MEFF's Commission for Supervision & Surveillance. Neither the Issuer, the Guarantor nor the Calculation Agent is responsible for informing Bondholders of any change at any time to the MEFF Adjustments to Contracts Specifications. This Condition 6(b) and the below summary are for information purposes only and have been prepared in order to provide Bondholders with summary information of potential adjustments following the occurrence of the specified Adjustment Events and such adjustments are subject to change. In the case of any discrepancy between this description and the MEFF Adjustments to Contracts Specifications or actual option contract adjustments made by MEFF, the MEFF Adjustments to Contracts Specifications or the actual option contract adjustments made by MEFF as applicable shall prevail.

(i) Adjustment Events and consequences:

For the purposes of this Condition 6(b), "**Adjustment Event**" means any of the following events occurring prior to the Settlement Date:

"5.7.1 Capital increase by bonus share issue with same dividend rights

- The number of shares represented by one Contract shall be multiplied by the ratio of "shares after/shares before".

- The Exercise Price shall be multiplied by the inverse ratio, i.e., "shares before/shares after".

5.7.2. Fully paid scrip issue with different dividend terms, or partially paid scrip issue, or capital increase issued at a premium, in which there is subscription right or Share Repurchase Program which creates a right with positive value for the shareholders.

a) Once the price of the subscription right has been calculated on the basis of the closing price of the Underlying Asset on the working day prior to the "adjustment date" and the issue conditions (payment, ratio and dividend terms), each Exercise Price shall be adjusted as follows:

$$nEP = oEP \times (1 - (TVR / CP))$$

Where:

nEP = New Exercise Price.

oEP = Old Exercise Price

TVR = Theoretical Value of the subscription right

CP = Closing Price of Underlying Asset the day prior to the adjustment

b) In addition, the number of shares representative of each contract shall be adjusted to maintain the nominal value of the positions before and after the adjustment, in order to carry out as far as practicable the following equation:

$$oEP * NSBA = nEP * NSAA$$

Where:

NSBA = Number of shares per contract before the adjustment

NSAA = Number of shares per contract after the adjustment.

And using the equation in section a) above, it can be deduced that:

$$NSAA = NSBA / K$$

Where:

$$K = 1 - TVR / CP$$

5.7.4 Split of shares

- Positions in contracts are multiplied by the ratio of “shares after / shares before”.
- The Exercise Price shall be multiplied by the ratio of “shares before / shares after”.

5.7.5 Consolidation of shares

The number of shares and the Exercise Price shall be adjusted in the same way as in section 5.7.1.

5.7.7 Mergers

When the shares of the surviving company are “listed shares”, the original underlying shares shall be replaced by the shares offered. For this purpose, “listed shares” are those on which there are, or there can be, listed contracts on MEFF before the merger takes effect.

Exercise Prices and the size of the Contract shall be adjusted as follows:

- Exercise Prices shall be multiplied by the Ratio:

$$X/Y$$

Where X, Y:

“Y” is the number of shares of the surviving company offered for every “X” shares of the original underlying company.

- The number of shares per Contract shall be multiplied by the inverse Ratio.

5.7.8 Take-over Bids

5.7.8.1 Analysis prior to the adjustment decision

The mere launch of a take-over bid does not warrant an automatic adjustment procedure. Rather, its application will depend on when the Commission for Supervision and Surveillance (hereinafter “CSS”) considers that the protection of the market participants requires the adjustment.

Once the Bid Prospectus is published, the CSS shall determine which result shall be needed to cause an adjustment to the contracts. The CSS decision shall be published as soon as possible.

The analysis shall be made based, among other factors, on the following:

- a) The various scenarios of capitalisation and free float of the target company after the Bid, compared to other companies in the IBEX 35 index.
- b) The number of shares freely floating in relation with the open interest of BME CLEARING relevant contracts and an estimate of relevant OTC positions, under various scenarios.
- c) The intention of the bidder about excluding the target company from Stock Exchange listing.

In the event that, once the decision taken by CSS is published, there are new relevant developments (for instance, a competing Bid) which, in the CSS opinion, modify the circumstances; the CSS may revise its decision.

5.7.8.2 Adjustment Methods

In case, once the Bid result is public, the result is such that the Contracts adjustment is required, according to the criteria determined and made public by the CSS, one of the following methods shall be applied, depending on the type of Bid:

a) Cash settlement at fair value

The Contracts shall be early settled at fair value, according to the valuation criteria established in Appendix 1, which can be modified in line with generally accepted valuation criteria.

In this case, the Bonds (in line with any related options contract traded at MEFF) would be settled in cash in accordance with Condition 9(d) below.

b) Ratio Method

The Contracts original underlying shares shall be substituted by the shares offered, according to the conditions of the Bid, adjusting the specifications of the Contracts using the Ratio as established in Appendix 2.

5.7.8.3 Types of Take-Over Bids

To this effect, "listed shares" are those on which there are, or there can be, listed contracts on MEFF before the end of the Bid process. Any other type of shares shall not be considered as "listed shares" but as "other assets or rights".

a) Take-Over Bids in Cash

When the Bid is entirely in cash or other assets or rights, and an adjustment is deemed necessary, the adjustment shall mean the early expiration of the Contracts and the corresponding cash settlement at fair value (Cash settlement at fair value method).

b) Take-Over Bids in Equity

When the Take-Over Bid is entirely in listed shares, the Ratio Method shall be used.

c) Take-Over Bids in a mixture of Cash and Equity

When the Take-Over Bid is in a combination of listed shares and cash, or other assets or rights, and the equity component is equal or greater than 1/3 of the total value of the Take-Over Bid, the Contracts shall be adjusted applying the Ratio Method.

However, if the cash and/or other assets or rights component is more than 2/3 of the total value of the Take-Over Bid, the Take-Over Bid shall be treated as a Take-Over Bid in cash.

5.7.10 Unforeseen cases

All cases where an adjustment may be convenient and which do not clearly correspond to the provisions of the above sections, shall be submitted by MEFF to the Commission for Supervision and Surveillance which shall determine the adjustment to be made, if any.

Once BME CLEARING Cash Equities Segment comes into effect, in those cases where the corporate event that leads to an adjustment is published after the date it should have been done, MEFF will propose to the CSS the fulfilment of a cash adjustment to the Members with open position on the pertinent contracts on the date prior to the of Ex Coupon Date or on the date when the market effectively deducts the corporate event. Cash adjustment shall be made by BME CLEARING under the agreement signed with MEFF.

The composition and functioning of the Commission for Supervision and Surveillance are regulated by of the Market Rule Book.

The Commission for Supervision and Surveillance must be guided, in the resolution of the cases coming under this heading, by the principles of investor protection, equal treatment for holders and writers of outstanding options, consistence in the application of criteria, efficiency and co-ordination with the organisations governing the settlement of the Underlying Security. The CSS also shall be guided by the coordination principle with other Regulated Markets Rules where Spanish equities derivatives are also traded, with the aim of rule harmonization. ”.

Since the date on which the Original Bonds were issued, the following MEFF Adjustments to Contracts Specifications has been added to MEFF’s General Conditions applicable to the Underlying Financial Assets Contract Group (*Condiciones Generales aplicables al Grupo de Contratos de Activos Subyacentes de carácter financiero*):

“5.7.9. Take-Over Bid of an issuer over its own shares

They shall be adjusted at Exercise Price and the options multiplier as follows:

a) *Exercise Price:*

$$nEP = oEP \times R$$

Adjustments in accordance with this Condition 6 (including Condition 6(a)(ii)) will not be made, if the effective date for such adjustments is later than, in the case of Bonds in respect of which Conversion Rights have been exercised, the Settlement Date (where the Cash Amount is to be paid in respect of such exercise) or, in relation to Bonds not converted, the first day after the end of the Conversion Period pursuant to Condition 5(a)(ii), as the case may be.

Adjustments to the Conversion Price and the Dividend Threshold pursuant to this Condition 6 shall be determined and calculated in good faith by the Calculation Agent, and/or to the extent so specified in the Conditions, in good faith by an Independent Adviser. Adjustments to the Conversion Price and/or the Dividend Threshold calculated by the Calculation Agent or, where applicable, an Independent Adviser and any other determinations made by the Calculation Agent or, where applicable, an Independent Adviser pursuant to these Conditions shall be final and binding (in the absence of manifest error) on the Issuer, the Guarantor and the Bondholders. If any doubt shall arise as to whether an adjustment falls to be made to the Conversion Price or the Dividend Threshold or as to the appropriate adjustment to the Conversion Price or the Dividend Threshold, and following consultation between the Issuer and an Independent Adviser, a written opinion of such Independent Adviser in respect thereof shall be conclusive and binding on the Issuer and the Bondholders, save in the case of manifest error.

If in case of any adjustment the resulting Conversion Price or Dividend Threshold, as the case may be, is not an integral multiple of €0.0001, it shall be rounded down to the nearest whole or multiple of €0.0001. Any amount by which the Conversion Price or Dividend Threshold, as the case may be, has been rounded down, shall be carried forward and taken into account in any subsequent adjustment, and such subsequent adjustment shall be made on the basis that the adjustment not required to be made had been made at the relevant time.

The Issuer will give notice to the Fiscal Agent and procure that a notice is given to the Bondholders in the manner described in Condition 17 as soon as practicable after the date on which any adjustment to the Conversion Price or the Dividend Threshold becomes effective.

- (a) not issue or pay up any Securities, in either case by way of capitalisation of profits or reserves, other than:
 - (i) by the issue of fully paid Ordinary Shares to Shareholders and other holders of shares in the capital of the Guarantor which by their terms entitle the holders thereof to receive Ordinary Shares or other shares or Securities on a capitalisation of profits or reserves; or
 - (ii) by the issue of Ordinary Shares paid up in full (in accordance with applicable law) and issued wholly, ignoring fractional entitlements, in lieu of the whole or part of a cash distribution; or
 - (iii) by the issue of fully paid equity share capital (other than Ordinary Shares) to the holders of equity share capital of the same class and other holders of shares in the capital of the Guarantor which by their terms entitle the holders thereof to receive equity share capital (other than Ordinary Shares); or

(iv) by the issue of Ordinary Shares or any equity share capital to, or for the benefit of, any employee or former employee, director or executive holding or formerly holding executive office of the Guarantor or any of its Subsidiaries or any associated company or to trustees or nominees to be held for the benefit of any such person, in any such case pursuant to an employee, director or executive share or option scheme whether for all employees, directors, or executives or any one or more of them,

unless, in any such case under (i) to (iv) above, the same constitutes a Cash Distribution or otherwise gives rise to an adjustment to the Conversion Price;

(b) not in any way modify the rights attaching to the Ordinary Shares with respect to voting, dividends or liquidation nor issue any other class of equity share capital carrying any rights which are more favourable than the rights attaching to the Ordinary Shares but so that nothing in this Condition 13(b) shall prevent:

(i) any consolidation, reclassification, redesignation or subdivision of the Ordinary Shares; or

(ii) any issue of Ordinary Shares or any equity share capital to, or for the benefit of, any employee or former employee, director or executive holding or formerly holding executive office of the Guarantor or any of its Subsidiaries or any associated company or to trustees or nominees to be held for the benefit of any such person, in any such case pursuant to an employee, director or executive share or option scheme whether for all employees, directors, or executives or any of them; or

(iii) any modification of such rights which is not, in the opinion of an Independent Adviser (acting as an expert), materially prejudicial to the interests of the holders of the Bonds; or

(iv) any issue of equity share capital where the issue of such equity share capital results in an adjustment to the Conversion Price; or

(v) any issue of equity share capital or modification of rights attaching to the Ordinary Shares, where prior thereto the Guarantor shall have instructed an Independent Adviser to determine what (if any) adjustments should be made to the Conversion Price as being fair and reasonable to take account thereof and such Independent Adviser shall have determined either that no adjustment is required or that an adjustment resulting in an increase in the Conversion Price is required and, if so, the new Conversion Price as a result thereof and the basis upon which such adjustment is to be made and, in any such case, the date on which the adjustment shall take effect (and so that the adjustment shall be made and shall take effect accordingly);

(c) procure that no Securities (whether issued by the Guarantor or any Subsidiary of the Guarantor or procured by the Guarantor or any Subsidiary of the Guarantor to be issued or issued by any other person pursuant to any arrangement with the Guarantor or any Subsidiary of the Guarantor) issued without rights to convert into, or subscribe for, Ordinary Shares shall subsequently be granted such rights unless the same gives rise to an adjustment to the Conversion Price and that at no time shall there be in issue Ordinary Shares of differing nominal values, save where such Ordinary Shares have the same economic rights;

(d) not make any issue, grant or distribution or any other action taken if the effect thereof would be that, on the exercise of Conversion Rights, Ordinary Shares could not, under any applicable law then in effect, be legally issued as fully paid;

(e) not reduce its issued share capital, share premium (*prima de emisión de acciones*) account or capital redemption reserve (*reserva por capital amortizado*) or any uncalled liability in respect thereof, or any non-distributable reserves, except:

(i) pursuant to the terms of issue of the relevant share capital; or

(ii) as permitted under applicable law and whether by way of transfer to reserves or otherwise, as long as no Cash Distribution is made to Shareholders; or

(iii) where the reduction is permitted by applicable law and either it results in an adjustment to the Conversion Price or an Independent Adviser (acting as expert) advises that the interests of the Bondholders will not be materially prejudiced by such reduction,

provided that, without prejudice to the other provisions of these Conditions, the Guarantor may exercise such rights as it may from time to time enjoy pursuant to applicable law to purchase and/or cancel its Ordinary Shares and any depositary or other receipts or certificates representing Ordinary Shares without the consent of Bondholders;

- (f)* if any offer is made to all (or as nearly as may be practicable all) Shareholders (or all (or as nearly as may be practicable all) Shareholders other than the offeror and/or any associate (or affiliate) of the offeror) to acquire the whole or any part of the issued Ordinary Shares, or if any person proposes a scheme with regard to such acquisition, give notice of such offer or scheme to the Bondholders at the same time as any notice thereof is sent to the Shareholders (or as soon as practicable thereafter) that details concerning such offer or scheme may be obtained from the specified offices of the Paying, Transfer and Conversion Agents and, where such an offer or scheme has been recommended by the board of directors of the Guarantor, or where such an offer has become or been declared unconditional in all respects, use all reasonable endeavours to procure that a like offer is extended to the holders of any Ordinary Shares issued during the period of the offer arising out of the exercise of the Conversion Rights by the Bondholders;
- (g)* use its reasonable endeavours to ensure that its issued and outstanding Ordinary Shares shall remain admitted to listing and to trading on the Relevant Stock Exchange;
- (h)* use its reasonable endeavours to cause the New Bonds to be admitted to trading on the Open Market segment of the Frankfurt Stock Exchange (*Freiverkehr*) (the “**Admission**”) on 5 June 2020 and use its reasonable endeavours to maintain Admission of the Bonds for so long as any of the Bonds remain outstanding;
- (i)* appoint an Independent Adviser to carry out any action requested of it under the Bonds; and
- (j)* not take any action (nor refrain from taking any action) that would cause the Guarantor to be subject generally to the taxing jurisdiction of a territory or a Taxing Authority of or in that territory with power to tax other than or in addition to the Kingdom of Spain if, at such time and under current laws and regulations, the Guarantor would be required generally to make any withholding or deduction for or on account of any taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of such territory or any political subdivision thereof or therein having power to tax in respect of the Bonds and where any such withholding or deduction exceeds any such withholding or deduction imposed or levied by or on behalf of the Kingdom of Spain.

14 Prescription

Claims for payment of principal or any Cash Amount or other amounts in respect of the Bonds shall be prescribed and become void unless made within 10 years from the appropriate Relevant Date in respect of such payment.

15 Replacement of Certificates

If any Certificate is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations or other relevant regulatory authority regulations, at the specified office of the Registrar or such other Paying, Transfer and Conversion Agent as may from time to time be designated by the Issuer for that purpose and notice of whose designation is given to Bondholders, in each case upon payment by the claimant

of the fees and costs incurred in connection therewith and on such terms as to evidence, security, indemnity and otherwise as the Issuer and the Guarantor may reasonably require. Mutilated or defaced Certificates must be surrendered before replacements will be issued.

16 Meetings of Bondholders, Modifications and Waivers

(a) Meetings of Bondholders

The Agency Agreement contains provisions for convening meetings of Bondholders to consider matters affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions. Such a meeting may be convened by holders holding not less than 10 per cent. in principal amount of the Bonds for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution will be two or more persons holding or representing a clear majority in principal amount of the Bonds for the time being outstanding, or at any adjourned meeting two or more persons being or representing holders whatever the principal amount of the Bonds held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to modify the maturity of the Bonds, (ii) to reduce or cancel the principal amount of the Bonds, (iii) to change the currency of payment of the Bonds, (iv) to modify the provisions relating to, or cancel, the Conversion Rights, and other than a reduction to the Conversion Price), (v) to increase the Conversion Price (other than in accordance with these Conditions, (vi) to change the governing law of the Bonds, (vii) to modify the provisions concerning the quorum required at any meeting of holders or the majority required to pass an Extraordinary Resolution, or (viii) to modify or cancel the Guarantee, in which case the necessary quorum will be two or more persons holding or representing not less than 75 per cent., or at any adjourned meeting not less than 25 per cent., in principal amount of the Bonds for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on holders (whether or not they were present at the meeting at which such resolution was passed).

The Agency Agreement provides that (i) a resolution in writing signed by or on behalf of the holders of not less than 90 per cent. in principal amount of the Bonds outstanding or (ii) consents given by way of electronic consent through the relevant clearing system(s) by or on behalf of the holders of not less than 90 per cent. of the aggregate principal amount of the Bonds outstanding, shall, in any such case, for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of Bondholders duly convened and held. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more holders.

(b) Modification of the Agency Agreement or the Deed of Guarantee

The Issuer and the Guarantor shall only permit any modification of, or any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Agency Agreement or the Deed of Guarantee, if to do so could not reasonably be expected to be prejudicial to the interests of the Bondholders.

17 Notices

All notices regarding the Bonds will be valid if published through the electronic communication system of Bloomberg. The Issuer shall also ensure that all notices are duly published (if such publication is required) in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Bonds are for the time being listed and/or admitted to trading. Any such notice shall be deemed to have been given on the date of such notice. If publication as provided above is not practicable, notice will be given by publication in a newspaper of general circulation in London (which is expected to be the *Financial Times*).

The Issuer shall send a copy of all notices given by it to Bondholders pursuant to these Conditions simultaneously to the Calculation Agent.

Notwithstanding the above, for so long as all the Bonds are represented by a Global Bond and the Global Bond is held on behalf of Euroclear and/or Clearstream, Luxembourg, notices to Bondholders may be given by delivery of the relevant notice to Euroclear or Clearstream, Luxembourg and such notices shall be deemed to have been given to Bondholders on the day of delivery to Euroclear and/or Clearstream, Luxembourg.

18 Further Issues

The Issuer may from time to time without the consent of the Bondholders create and issue further notes, bonds or debentures either having the same terms and conditions in all respects as the outstanding notes, bonds or debentures of any series (including the Bonds) or in all respects except for the first date on which conversion rights may be exercised and so that such further issue shall be consolidated and form a single series with the outstanding notes, bonds or debentures of any series (including the Bonds) or upon such terms as to conversion, premium, redemption and otherwise as the Issuer may determine at the time of their issue. References in these Conditions to the Bonds include (unless the context requires otherwise) any other securities issued pursuant to this Condition 18 and forming a single series with the Bonds.

19 Rights of Third Parties

No person shall have any right to enforce any term or condition of the Bonds under the Contracts (Rights of Third Parties) Act 1999.

20 Currency Indemnity

Euro is the sole currency of account and payment for all sums payable by the Issuer or the Guarantor under or in connection with the Bonds and the Guarantee, including damages. Any amount received or recovered in a currency other than euro (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the insolvency, winding-up or dissolution of the Issuer or the Guarantor or otherwise) by any holder in respect of any sum expressed to be due to it from the Issuer or Guarantor shall only constitute a discharge to the Issuer and/or Guarantor to the extent of the euro amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that euro amount is less than the euro amount expressed to be due to the recipient under any Bond or the Guarantee, the Issuer or the Guarantor (as the case may be) shall indemnify it against any loss sustained by it as a result. In any event, the Issuer or the Guarantor (as the case may be) shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition 20, it will be sufficient for the holder to demonstrate that it would have suffered a loss had an actual purchase been made. These indemnities constitute a separate and independent obligation from the Issuer's and Guarantor's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any holder and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Bond or Guarantee or any other judgment or order.

21 Governing Law and Jurisdiction

- (a) **Governing law:** The Agency Agreement, the Bonds and the Guarantee and all matters arising from or connected therewith, including any non-contractual obligations arising out of or in connection therewith, are governed by, and shall be construed in accordance with, English law.
- (b) **English Courts:** The courts of England have exclusive jurisdiction to settle any dispute (a “**Dispute**”) arising from or connected with any Bonds or the Guarantee.
- (c) **Appropriate forum:** The Issuer and the Guarantor each agree that the courts of England are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue to the contrary.

- (d) **Rights of Bondholders to take proceedings outside England:** Condition 21(b) is for the benefit of the Bondholders only. As a result, nothing in this Condition 21 prevents any Bondholder from taking proceedings relating to a Dispute (“**Proceedings**”) in any other courts with jurisdiction. To the extent allowed by law, Bondholders may take concurrent Proceedings in any number of jurisdictions.
- (e) **Process Agent:** The Issuer and the Guarantor each agree that the documents which start any Proceedings and any other documents required to be served in relation to those Proceedings may be served on it by being delivered to SPW Investments Limited, 4th Floor, 1 Tudor Street, London, EC4Y 0AH, United Kingdom or, if different, its registered office for the time being or at any address of the Issuer in England at which process may be served on it in accordance with Part 34 of the United Kingdom Companies Act 2006. If such person is not or ceases to be effectively appointed to accept service of process on behalf of the Issuer, the Issuer shall, on the written demand of any Bondholder addressed and delivered to the Issuer or to the specified office of the Fiscal Agent appoint a further person in England to accept service of process on its behalf and, failing such appointment within 15 days, any Bondholder shall be entitled to appoint such a person by written notice addressed to the Issuer and delivered to the Issuer or to the specified office of the Fiscal Agent. Nothing in this paragraph shall affect the right of any Bondholder to serve process in any other manner permitted by law. This Condition applies to Proceedings in England and not to Proceedings elsewhere.

22 Transfer of Bonds

(a) Transfers

One or more Bonds may, subject to Condition 22(b), be transferred in whole or in part upon the surrender (at the specified office of the Registrar or any Paying, Transfer and Conversion Agent) of the Certificate(s) representing such Bonds to be transferred, together with the form of transfer endorsed on such Certificate(s) (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or such Paying, Transfer and Conversion Agent may reasonably require. In the case of a transfer of part only of a holding of Bonds represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Bonds and entries on the Register will be made subject to the detailed regulations concerning transfers of Bonds scheduled to the Agency Agreement. The regulations may be changed by the Issuer with the prior written approval of the Registrar. A copy of the current regulations will be made available by the Registrar to any Bondholder upon request.

(b) Exercise of Options or Partial Redemption

In the case of an exercise of an Issuer’s or Bondholders’ option in respect of, or a partial redemption of, a holding of Bonds represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Bonds of the same holding having different terms, separate Certificates shall be issued in respect of those Bonds of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Paying, Transfer and Conversion Agent. In the case of a transfer of Bonds to a person who is already a holder of Bonds, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(c) Delivery of New Certificates

Each new Certificate to be issued pursuant to Conditions 22(a) or 22(b) shall be available for delivery within three business days of receipt of the form of transfer or Put Notice (as defined in Condition 9(c)) and surrender of the existing Certificate for exchange. Delivery of the new Certificate(s) shall be made

at the specified office of the Paying, Transfer and Conversion Agent or of the Registrar (as the case may be) to whom delivery or surrender of such form of transfer, Put Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant form of transfer, Put Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Paying, Transfer and Conversion Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 22(c), “**business day**” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Paying, Transfer and Conversion Agent or the Registrar (as the case may be).

(d) **Transfers Free of Charge**

Transfers of Certificates on registration, transfer, exercise of an option or partial redemption shall be effected without charge by or on behalf of the Issuer, the Registrar or any Paying, Transfer and Conversion Agent, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Paying, Transfer and Conversion Agent may require).

(e) **Closed Periods**

No Bondholder may require the transfer of an Bond to be registered (i) during the period of 15 days ending on the due date for redemption of that Bond or (ii) after any such Bond has been called for redemption.
