To the National Securities Market Commission

Subject: Implementation of the second edition of the “Iberdrola Retribución Flexible” optional dividend system corresponding to the fiscal year 2018

Dear Sirs,

Pursuant to article 227 of the *restated text of the Securities Market Law* approved by the Royal Legislative Decree 4/2015, of 23 October (*texto refundido de la Ley del Mercado de Valores aprobado por el Real Decreto Legislativo 4/2015, de 23 de octubre*) and related provisions, and further to the notices of significant event (*hecho relevante*) filed with this National Commission on 23 October 2018 (with official registry number 270,765), 18 December 2018 (with official registry number 272,762) and 4 January 2019 (with official registry number 273,529) regarding: (a) the implementation of the paid-up capital increase approved by the General Shareholders' Meeting of Iberdrola, S.A. (“**Iberdrola**” or the “**Company**”) of 13 April 2018 under item number eight on the agenda and under the section titled “*Common terms and conditions to the dividend distribution and increase in capital resolutions proposed under items number six, seven and eight on the agenda, by virtue of which the new «Iberdrola Flexible Remuneration» system is implemented*” (the “**Capital Increase**”); and (b) the distribution of an interim dividend corresponding to the fiscal year 2018 approved by the Board of Directors on 23 October 2018¹ (the “**Interim Dividend**”), both in the context of the second edition of the “*Iberdrola Retribución Flexible*” optional dividend system corresponding to the fiscal year 2018, we hereby inform you that:

- The period for trading the free-of-charge allocation rights corresponding to the Capital Increase ended on 23 January 2019.
- During the period established for such purpose, the holders of 870,368,973 shares of the Company have chosen to receive the Interim Dividend. As a consequence, the total gross amount of the Interim Dividend that will be distributed on 5 February 2019 is 131,425,714.92 euros, which results from multiplying the gross amount of the Interim Dividend per share (0.151 euros) by the number of shares whose holders have chosen to receive the Interim Dividend (870,368,973).

As a result of the foregoing, these shareholders have expressly waived 870,368,973 free-of-charge allocation rights and, thus, 19,341,532.73 new shares corresponding to the referred rights.

¹ This resolution was ratified by the Board of Directors at its meeting held on 18 December 2018, after attesting the compliance of the requirements set forth in article 277 of the *Spanish Companies Act (Ley de Sociedades de Capital)*.

Furthermore, the payment of the Interim Dividend has been rendered without effect in respect of the amount which has not been distributed to those shareholders who have chosen (expressly or tacitly) any of the remaining options under the “*Iberdrola Retribución Flexible*” optional dividend system.

- Likewise, given that the maximum number of Iberdrola shares to be issued –after deducting the shares which holders have chosen to receive the Interim Dividend (waiving the free-of-charge allocation rights to which they were entitled)– was a fraction, Iberdrola has waived 12 free-of-charge allocation rights that it holds in order for the number of new shares ultimately issued in the Capital Increase to be a whole number and not a fraction.
- Therefore, the final number of ordinary shares with a unitary par value of 0.75 euros that will be issued in the Capital Increase is 122,828,000 with the nominal amount of the Capital Increase being 92,121,000.00 euros, which entails an increase of 1.92% over the share capital of Iberdrola prior to the implementation of the Capital Increase.
- As a consequence, the share capital of Iberdrola after the Capital Increase will amount to 4,890,342,750.00 euros, represented by 6,520,457,000 ordinary shares having a nominal value of 0.75 euros each, fully subscribed for and paid up.
- It is expected that, subject to compliance with all legal requirements (particularly, the verification of such compliance by the National Securities Market Commission), the new shares will be admitted to trading on the Bilbao, Madrid, Barcelona and Valencia Stock Exchanges, through the Automated Quotation System (Electronic Market), on Tuesday, 5 February 2019. In this respect, the ordinary trading of the new shares is expected to commence on Wednesday, 6 February 2019.

Finally, and for the purposes of article 26.1.e) of *Royal Decree 1310/2005, of 4 November, which partially elaborates upon the provisions of Law 24/1988 of 28 July, on the Securities Market, in connection with the admission of securities to trading on official secondary markets, public offers for the sale or subscription of securities and the prospectus required for such purposes (Real Decreto 1310/2005, de 4 de noviembre, por el que se desarrolla parcialmente la Ley 24/1988, de 28 de julio, del Mercado de Valores, en materia de admisión a negociación de valores en mercados secundarios oficiales, de ofertas públicas de venta o suscripción y del folleto exigible a tales efectos)*, it is hereby stated that this information supplements the content of the information memorandum that was filed by virtue of the notice of significant event (*hecho relevante*) on 23 October 2018 (with official registry number 270,765), relating to the second edition of the “*Iberdrola Retribución Flexible*” optional dividend system corresponding to 2018 (the “**Information Memorandum**”), as supplemented by virtue of the notice of significant event (*hecho relevante*) filed on 4 January 2019 (with official registry number 273,529). As a consequence, this notice is a part of the Information Memorandum, and should therefore be read in conjunction with such document.

This information is provided to you for the appropriate purposes.

Yours faithfully,

Secretary of the Board of Directors
