

“MOVING FOR CLIMATE NOW” VIDEO VOICE TRANSCRIPTION

Cyclist 1: “This initiative aims to send a message to the Marrakesh Climate Summit: we all need to act and we need to act now.”

Spokesman: “As the other sustainability goals, the climate change is a real problem that we have to resolve between all of us.”

Cyclist 2: “There are ten stages from Seville to Marrakesh. More than 1,100 km!”

Cyclist 3: “On our way to the Climate Summit!”

Cyclist 4: “The energy sector is responsible for two thirds of greenhouse gas emissions.”

Cyclist 5: “Citizens need to internalize climate change.”

Cyclist 6: “Responsibility lies in each and every one of us.”

Cyclist 7: “We can´t do it alone.”

Cyclist 8: “Every day we have discussions around climate change and what solutions we can think of to try to combat this big challenge that we have today.”

Cyclist 9: “We have already arrived in Morocco. The first thing we are going to do is get to know the country.”

Cyclist 10: “Awareness and education policies are key to achieve sustainable development promoted by people.”

Cyclist 11: “Cities are growing and more than half of the world´s population lives in them. Taking action in cities will improve air and life quality and fight climate change.”

All the cyclists together: “Moving for Climate NOW!”

Cyclist 12: “Companies realize that they can not do it alone.”

Cyclist 13: “It´s a matter of ethics, the one who contaminates pays the cost.”

Cyclist 14: “We have to take action now.”

Cyclist 15: “We are facing a great challenge for humanity.”

Cyclist 16: “More than 1,000 km!”

Ignacio Galán, Iberdrola president: “I think it has served to encourage and mobilize people along the journey in their defense of the environment.”

Cyclist 17: “We are the generation that can do it and we are the generation that must do it.”
